## **AUCTIONEERS REMARKS & STIPULATIONS**

My family have been at Heighley Castle Farm since February 1951, when my Dad took on the tenancy. Throughout those years, quality livestock has always been our number one priority, and as a farm business we have built an excellent reputation through many years of selling cattle across local livestock markets.

Since selling the cows in 2008, our focus has been on beef cattle, and we have thoroughly enjoyed buying and selling with Bernie and the team over the years at Market Drayton Market.

I wish to thank all my family, staff, neighbours and many friends over the years for always being on hand to help, particularly in more recent years.

The tractors, farm machinery and equipment have always been exceptionally well looked after. Many people have nicknamed me "Mr Perfect" because of my attention to detail and insistence on keeping machinery in the best possible condition.

Greasing and lubricating has always been something of a hobby of mine, and I have spent many a weekend maintaining and caring for the machines.

As I now look towards the next chapter, I would like to wish the future farmers at Heighley Castle Farm every success. The farm has been left in immaculate condition, and I sincerely hope the purchasers enjoy the machinery and get many years of good service from it.
