627 REARING CALVES

Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

A superb number of calves for the middle of November and once again we have seen a two tier trade. Demand has been very strong for the top tier and very selective again for the second tier. There continues to be a very fine line between the two tiers, with breeding, shape and age being the key factors.

On to the section round ups, the Friesians saw a slight lift in prices with an average of £52 per head, topping at £115 for E. Turnock Ltd, Audley. Best types at £60 to £90 and mediums and smalls £25 to £50. The native bulls were a similar trade to last week with strongest types in highest demand, mediums and smalls ok to sell. Top call went to Angus from Mr W.R. Grice, Stapeley at £272. Best bulls at £140 to £200, mediums at £80 to £130 and smalls at £40 to £70. Next the Continental bulls which were a good trade with the top end easy to sell but mediums and smalls had a ceiling price. Top call went to a Blue from Moreton Wood Farm, Whitchurch at £350. Best at £250 to £300 and mediums at £170 to £240, smalls at £100 to £150.

Onto native heifers which would be slightly better sold this week with more of the best quality on offer. Top call went to a Angus at £170 for L&A Fitton & Sons, Adbaston and Herefords to £135 for P.&F. Jenkinson, Ridley. Best types £80 to £140, mediums £45 to £70 and smalls £25 to £40. The Continental heifers have been a fast trade with several seasonal buyers about today but all sticking to their budgets. Top price went to a Blue at £240 for HF. & J. Langley & Partners, Bickley. Best heifers at £180 to £230, mediums £90 to £150, smalls £50 to £80. Enquiries about next week to Jonty or Ben.
