622 REARING CALVES

Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

An excellent entry and its been great to see a better trade and a bit more optimism around the ring. Demand has been very strong for the top tier and once again selective for the second tier. There continues to be a very fine line between the two tiers as well.

On to the section round ups, a mixed show of Friesians with quality in short supply. Top price was £130 for E.A. Johnson & Sons, Chester. Best types at £70 to £110 and mediums and smalls £25 to £50.

The native bulls have been good to sell with several buyers after calves around the £120 to £180 mark. Top call went to Angus from G. Green & Son, Lach Dennis at £200. Best bulls at £150 to £180, mediums at £80 to £130 and smalls at £40 to £70.

Next the Continental bulls which were a fantastic trade with the top end very dear, a gap to the mediums and smalls but they have been better to sell than recent weeks. Top call went to a super Blue from Baddiley Hulse Ltd, Baddiley at £390. Best at £250 to £320 and mediums at £150 to £230, smalls at £80 to £140.

The native heifers have been a pleasing trade but short on best types. Sandbach YFC members have danced their way to the top spots by producing box ticking calves, they'll be hoping it's not the only top spot they take this week! Herefords from Tom Oulton sold for £148 and Angus

from birthday boy Tom Whittaker at £145! Best types £80 to £120, mediums £50 to £70 and smalls £25 to £40.

The Continental heifers have been the trade of the day with several seasonal buyers about today lifting the trade. Top price went to a Blue at £315 for PC. & SG. Thelwell, Nantwich and Limousins to £268 for ME. & RA. Sadler, Chester. Best heifers at £180 to £250, mediums £110 to £160, smalls £50 to £100.

Next week we have our Christmas Market which includes prizes for the top price bull and heifer calf under 42 days old. Enquiries to Jonty or Ben.
