A phenomenal entry today with over 800 calves and weanlings forward. A new purchaser said to me 'you've got something for everyone here haven't you' and he was spot on! One thing we haven't been short of is quality calves, from 2 weeks to 8 weeks old we've had an excellent show, and to go with it we've had 72 successful purchasers today. If you're after calves give us a try, you won't be disappointed with what's on offer.

On to the section round ups, a decent trade for the Friesians with top price at £140 for G. Green & Son, Lach Dennis. Best types at £60 to £120 and mediums and smalls £15 to £50. Onto the Continental bulls, which picked up where they left off last week, the Blue bull average of £216 is brilliant considering there was a large proportion that were only two weeks old.
