486 REARING CALVES

Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

A sensational trade today in the calf ring! January has been a really pleasing month with trade gradually on the increase and we've topped it off with the best trade of the lot to conclude the month. Today we saw some of our regular buyers unable to start their orders as seasonal buyers came and lifted the trade out of their reach, which is very rarely the case. All grades of calves have been very well sold leading to some extremely pleasing averages.

On to the section round ups, plenty to shout about with the dairy bull trade - an excellent section average of £89. Top price was £145 for Richardson Farms Ltd, Warmingham. Best types at £90-£130 and mediums and smalls £40-£80. The native bulls have been an excellent trade with the mediums up a gear or two today. The Angus topped at £285 for a super calf from Mr V. McNaugher, Audlem and Herefords to £272 for Mr M.P. Mason, Wolverhampton. Best bulls at £180-£250, mediums at £120 to £160 and smalls at £60 to £90. Next the Continental bulls which have been a cracking trade with all grades good to sell. Top call was a Simmental bull from Newsholme & Bradley, Austerson at £370. Best at £260 to £330 and mediums at £200 to £250, smalls at £80 to £180.

The Native heifers have been a delight to sell with several seasonal buyers helping the trade. Best £120 to £160, mediums £70 to £110 and smalls £40 to £60. Top price went to a Hereford at £240 for Mr P.D.T. Lokier, Lyneal and Angus to £200 for Mr V. McNaugher. The Continental heifers picked up where they left off last week with an abundance of buyers after best and medium types. Top call going to a Blue from TS. & AE. Hartley, Mere at £300. Best types £200 to £260, mediums £140 to £180, smalls £80 to £130. A handful of Weanlings today included Blues at £420 from A&E. Litchfield, Newborough. Enquiries to Jonty or Ben.
