No let up in the numbers but what a difference a week makes with a splendid show of quality calves for our buyers to get stuck into. The trade was nothing short of electric for the best and medium Continentals and best Natives, with some breeds up a gear on recent weeks. Less spring block calves about but they would be better sold today over recent weeks. The Continentals continue to be the most in demand by far with 29 bulls over £300 and an extraordinary 56 heifers over £200! The Native and Friesians are more selective based on age, shape and breeding.

On to the section round ups, a decent trade for the Friesians with anything well-shaped very good to sell, with MP Mason, Wolverhampton selling one of the best Friesians bulls you ever may see at £240! The Oulton Family of Audley had another lovely run with four over £100 topping at £168. Best types at £80 to £140 and mediums and smalls £20 to £60.

The native bulls have been a pleasing trade today with best very good to sell and mediums much improved on recent weeks. Top price today was £295 for Angus from A.A. Winstanley & Partners, Audlem and Herefords from AW.&L. Hollinshead, Crewe. Best bulls at £160 to £240, mediums at £100 to £140 and smalls at £50 to £90.

The Continental bulls have been a fast trade all day with well-shaped types in high demand! Top call was a super Charolais bull from CE.&GS. Witter & Sons, Sandbach at £450, we had four different vendors with Charolais over £400 today. Best at £300 to £380, mediums at £180 to £270, smalls at £80 to £170.

The native heifers have been better to sell with more quality to go at too. Top price went to Angus from TS.&AE. Hartley, Mere at £300, the calf was as good as they get! Best types £80 to £140, mediums and smalls at £30 to £70. The Continental heifers have been the trade of the day, 56 over £200!! Top call went to a Blue from TS.&AE. Hartley at £330. FARMING EQUIPMENT AND TECHNOLOGY FUND (FETF)

The FETF Round 2 is split into two themes: 1) Productivity & Slurry Items and 2) Animal Health & Welfare Items.

APPLICATIONS FOR THEME ONE ARE NOW OPEN

CLOSING DATE - 4TH APRIL 2023

Unlike Round 1, this time farmers can apply for a minimum of £1,000 & a maximum of £25,000 per theme. DEFRA have reviewed the items previously available and have decided to include further items for farmers to claim for. The grant is a fixed contribution regardless of the cost of the item to the applicant. Each item has a score out of 100 and funding will be allocated to the highest scoring applications first, until the funding is fully allocated. The second theme opens in March.

PRODUCTIVITY & SLURRY ITEMS INCLUDE:

Robotic Slurry Pusher / Collector: Grant Contribution of £7,573

Dribble Bar: Grant Contribution of £4,200 - £5,400

Robotic Silage Pusher: Grant Contribution of £5,800

If you would like us to send you the full list of items or apply for the FETF on your behalf, please call the team on 01630 692500.
