### 821 REARING CALVES

**Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)**

Just as many numbers again this week as trade remains very much the same with a fine line between the best and the rest. The strongest calves are a delight to sell with them all looking a super price. The trade on the mediums is hard to follow at times with some calves looking very well sold and others looking worth buying. Finally the smalls and cross bred calves continue to see the least demand. Looking forward, spring is very much here and normally calf trade begins to rocket as we approach the middle of April, so purchase these calves at current prices while you can, because they are the best commodity to buy across the beef industry right now.

On to the section round ups, a decent trade for the Friesians with anything well-shaped very good to sell, with top call going to GC & RE Durose, Leigh at £155. Best types at £70-£120 and mediums and smalls £20-£50. The native bulls have been a pleasing trade today but short on quality leading to only a handful over £200. Top price was £350 for Angus from TS & AE Hartley, Mere. Best bulls at £150-£220, mediums at £80-£130 and smalls at £50 to £70. The Continental Bulls have been a fast trade all day with well-shaped types in high demand! Top call was a super Charolais Bull from G Green & Son, Lach Dennis at £422, while Blues sold to £400 for Fitton Farms Ltd, Northwich. Best at £250-£320, mediums at £150-£230, smalls at £50-£120.

The Native Heifers have been a decent trade but the majority of the entry would be medium/small types. Top price went to Angus from TL Sherwin Ltd, Stanthorne at £195. Best types £80-£140, mediums and smalls at £30-£70. The Continental Heifers have been a very pleasing trade again but not quite to the heights of last week. Top call went to a Blue from TS&AE Hartley at £350. Best types £180-£250, mediums £130-£170, smalls £70-£110. All calf enquiries whether you are buying or selling to Jonty or Ben.

The FETF Round 2 is split into two themes: 1) Productivity & Slurry Items and 2) Animal Health & Welfare Items.

CLOSING DATE - 4TH APRIL 2023

Unlike Round 1, this time farmers can apply for a minimum of £1,000 & a maximum of £25,000 per theme.
