MONDAY 3 APRIL 2023

162 BARREN COWS, CULL BULLS & OVERAGE CLEAN CATTLE (Green Market)

Auctioneer : Bernie Hutchinson (07778 164274)

Another excellent sale with trade finding yet another gear up. It truly amazes me the level of trade at present and particularly on a green sale the extra dynamic of further finishers adding value to your cattle. Where is the top nobody knows but while we are experiencing it - can you afford not to sell your cattle on their legs to a national audience of potential buyers?? **Do not forget next week NO COW SALE due to being "Easter Monday" - back to it the following Monday 17th April is a GREEN Market.**

We are delighted to introduce Rebecca Hemmings to the team as our new Marketing Support. Staffordshire born and bred, following studies at Newport Girls High and Harper Adams University, Becs has gained extensive experience across the rural and country sports sectors, including on Sporting Estates and a Premium Seed Supplier.

With a wealth of experience in events and hospitality, Becs will be supporting the team by heading up marketing campaigns and managing our annual events diary. When not investing her passion and energy into driving strategy and business growth, she can be found 'enjoying' training for and racing in Ironman triathlons.
