**2,550GNS THRICE FOR ROBOTIC MILKED
SPOCK DAUGHTERS**

The dispersal sale of the pedigree Gaynes herd of loose housed robotic milked Holstein Friesians for The Herdman Family which had been moved from their farm near St Neots, Cambridgeshire, to Market Drayton Market for sale convenience attracted a crowd of determined volume buyers.

Three other cattle sold for 2,500gns, two of which were March calved heifers by Seagull Bay Slvr Kimball and Pine Tree Verona.

The other 2,500gns sale was for the top priced cow, a January second calver by ABS Mirage.

November third calvers sold to 2,100gns and February fourth calver to 1,950gns. A total of 42 cattle sold for over £2,000.

642 WEANLINGS

Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

A record entry of Weanlings! Thank you to all sellers for your continued support of the weanling section on what was a busy day indeed. However please can ALL sellers complete a declaration form when dropping your stock off, this is compulsory to ensure we can book your stock in correctly and as fast as possible. As for the trade, feeding cattle were on fire selling on a fast trade all day. The recent bad weather has put the brakes on turn out which made the trade for the grazing cattle below expectations for the time of year. We still had a great turnout of buyers for the amount of stock forward and overall well grown and well presented cattle have been as dear as recent weeks.

The pick of the older weanling prices included eight month old Welsh Black bulls selling to £680 for T. & EA. Evans & D. Myrddin, Pwllheli. Ten month old Angus steers sold to £690 for Mr R.E. Brittain, Bromsgrove and Twelve month old Piedmontese heifers selling to £700 for Mr T.A. Williams, Stafford. Best types £600 to £700, mediums £450 to £550.

Onto the younger Weanlings top prices were five month old Angus bulls to £490 for GA. & A. Brown & Son, Great Bridgeford. Five month old Blue steers sold to £590 for Mr S.W. Bailey, Stafford and a six month old three-quarter bred Blue heifer sold to £685 for RP. & SR. Williams, Wrexham. Best Types £475 to £600. Mediums £300 to £450.

The next sale is Bank Holiday Monday 1 May!
Please get your entries in to Ben or Jonty to ensure that we can advertise them in advance!

WEDNESDAY 19 APRIL 2023

135 CLEAN CATTLE & YOUNG BULLS

Auctioneer : Bernie Hutchinson (07778 164274)

The only disappointment on the day would be the numbers forward with demand totally outstripping supply, more needed next week please to meet increasing buyer demand. Trade was absolutely electric from the first bull to the last clean and considering the sample forward especially in the bulls a tremendous average returned! While this level of demand continues can you afford not to sell them on their legs to a national audience of end users and further finishers?

A trio of top calls of 330p plus for heifers, steers and bulls with heifers to 335p or £2,232.98, steers to 331p or £2,183.04 and bulls to 330p or £2,486.88.

35 Steers - A flying trade throughout racing away to 331p (£1,933.04) for a Limousin from Mr Brain Taylor & Family, Scholar Green. Mr Ian Brown & Family, Werrington saw their Limousin to 328p (£2,092.64), Mr Darren Young, Balterley Limousin to 300p (£2,166.00) and Mr Julian Corfield of Corfield & Aston run opened up at 300p (£1,614.00) for Limousin and further run to 296p (£2,148.96), 288p (£2,183.04), Mr Steve Simpkin & Family, Alington Limousin to 298p (£1,901.24) and 285p (£2,057.70). 107 DAIRY CATTLE

Auctioneers: Gwilym Richards (07768 020393) & Jason Brown (07774 816384)

COWS TO £3,300 AND HEIFERS TO £2,800

Heavy milking young cows dominated today's sale with the champion rosette being awarded by judge David Moseley to Ray Brown & Partners of Twemlow's pedigree third calver BIDEA LAGOS PEACH VG86 which sold for the day's highest price of £3,300.

Ray Brown & Partners had a brilliant day at the April Show and Sale supported by the Western Holstein Club and sponsored by Wadland Finance with their other third calver selling for £2,700 and their heifer BIDEA RAMSEY RACHEL being the first prize pedigree heifer and selling for the day's second highest price of £2,800.

Nine cows sold over £2,000 with PD. & RL. Fenton, Tarporley, selling to £2,600 and £2,000 for the first prize commercial cow, FE. Chilman & Son, Droitwich £2,550 for the second prize pedigree second calver ALCATH MER-RICK MAKKE 2, £2,200 and £2,100, L.F. Horton & Sons, Northwich £2,200, MJ. & J. Rhodes, Goostrey £2,000.

Eleven heifers sold over £2,000 with the second

prize commercial heifer from HS. & A. Callwood, Knutsford selling for £2,420, MJ. & J. Rhodes ££2,280, Skinner Bros, Melton Mowbray £2,220, Mr R.H. Turner, Bradley £2,220, Wyndford Wagyu, Newport £2,220 and £2,020, Mr G.J. Sutton, Astbury £2,120, PD. & RL. Fenton £2,000.

It is highly evident that the lower milk price is affecting cattle prices with the third quality in particular being heavily discounted and the premium for the best also reduced. However, there was plenty of bidding for the large choice of cattle of various breeds including stale milkers.

Yearling Norwegian Red cross and British Friesian cross yearling heifers sold to £600 and Friesian heifer calves to £330.

Averages:

Top 10 Cows £2,363

Top 20 Heifers £2,046

22 Cows (all in) £1,962

56 Heifers (all in) £1,670

Next Monthly Show & Sale supported by the Western Holstein Club – Wednesday 17 May.

FARMING EQUIPMENT AND TECHNOLOGY FUND (FETF)

The FETF Round 2 is split into two themes: 1) Productivity & Slurry Items and 2) Animal Health & Welfare Items.

APPLICATIONS FOR THEME ONE ARE NOW OPEN

CLOSING DATE - 4TH APRIL 2023

Unlike Round 1, this time farmers can apply for a minimum of £1,000 & a maximum of £25,000 per theme. DEFRA have reviewed the items previously available and have decided to include further items for farmers to claim for. The grant is a fixed contribution regardless of the cost of the item to the applicant. Each item has a score out of 100 and funding will be allocated to the highest scoring applications first, until the funding is fully allocated. The second theme opens in March.

PRODUCTIVITY & SLURRY ITEMS INCLUDE:

Robotic Slurry Pusher / Collector: Grant Contribution of £7,573

Dribble Bar: Grant Contribution of £4,200 - £5,400

Robotic Silage Pusher: Grant Contribution of £5,800

If you would like us to send you the full list of items or apply for the FETF on your behalf, please call the team on 01630 692500.
