Grass fever continues as all weanlings sold on a roaring trade in our second sale of the month. Once again the ringside was bursting at the seams, with 7 first time buyers in attendance too, one thing for sure at Market Drayton is we have both numbers and plenty of

quality to suit all budgets. As for the trade, it has truly been in the highest gear possible.

The Native cattle led the way today with some phenomenal prices for both grazing steers and heifers. Turnout is officially here and with there being no sign of the Fat or Store Cattle prices decreasing now is the time to get your Weanlings sold! The pick of the older weanling prices included eight month old Blue bulls selling to £730 for P&R. Robinson, Faddiley. Ten month old Simmental steers sold for £960 for Harold Davies & Partners Ltd, Puddington, and eight month old Blue heifers from Mr D.A. Lockett, Blackbrook sold for £690. Onto the younger Weanlings, top prices were six month old Simmental bull from Mr S.R. Nash, Leigh at £660, four month old Charolais steer from Mr L.P. Atkin, Whitgreave sold for £780 and a stunning five month old Blue heifer from DA.&JC. King, Wrenbury made £720. Best Types £600 to £700. Mediums £450 to £550.

Big thank you for all the continued support from the four points of the compass and the local faithfully. Averages slightly back on the week but this would be a consequence of the quality of the stock forward and not the trade with the best cattle starting with a three and £3,000 being breached twice!! More superstar quality and bulls required next week please can you help?!

Top of the shop with heifers to 344p or £1,955.10, steers to 325p or £2,180.75 and bulls 317p or £3,087.60.

Roberts Bros, Aberystwyth sold Blues to 330p (£1,933.80) and 321p (£1,852.17). Closer to home T.A.
