

MARKET DRAYTON MARKET LTD

Market Drayton Livestock Market report the following trade:

NEW VETERINARY ATTESTATION RULE for Farmers to be introduced on 13 December **ACTION NEEDED NOW** All livestock vendors to take action now and do not leave it until December to ask their vet for a farm visit and a signed declaration.

What's Changing?

Changes in legislation as from 13 December 2023 will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals and or part of any animal to be exported out of the UK. The purpose of this new rule is to comply with EU Export Regulations to verify the absence of notifiable disease and provide general advice on farm bio-security.

What Do Producers Need To Do?

Producers will be required to obtain a signed declaration from their vet that the visit has taken place. Obtaining a signed veterinary attestation must be done at least once over a 12 month period and can be combined with any routine veterinary visit. Farmers and Vets much keep a copy.

607 REARING CALVES

Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

As expected more numbers forward this week and overall a very pleasing trade. Understandably, the ringside has been a little quieter due to the hot weather and combining, silaging etc taking priority. In terms of the trade it followed a similar script to last week with the top end and bottom end looking very well sold. Medium continentals and natives would be the best buy again but many buyers were reluctant to go over their budget just to fill the trailer, lets see what happens as the numbers now increase.

The Friesians once again a fabulous trade, averaging £64.53. Several buying accounts in operation led to a terrific trade topping at £140 for Mr M.P. Mason, Wolverhampton. The best native bulls have been excellent to sell with 19 over £250, while mediums have been a little easier. Top price was £308 for an Angus from J.&B. Berrisford & Son, Nantwich. Best bulls at £200-£270, mediums at £100 to £160 and smalls at £60 to £90.

The Continental bulls saw a cracking trade for the best and small types but the mediums looked chancy today. Top call was a Charolais at £440 for RJ.&RH. Gadsbey, Yarlet. Best at £280 to £370, mediums at £170 to £240, smalls at £120 to £150.

The native heifers have been good to sell once again, with all grades in strong demand. Top price went to an Angus from DLG Morris & Partners at £188. Best types £140-£180, mediums and smalls at £50-£100.

The Continental heifers have been a fast trade but several buyers only wanting to pay £130 to £160 for strong mediums. Top call was £300 for a Charolais from RJ.&RH. Gadsbey, Yarlet. Best types £220 to £260, mediums £130 to £180, smalls £70 to £120.

A small show of weanlings sold to £420 for PCM. & NM. Pugh, Church Stoke. All enquiries to Ben or Jonty
