## **925 REARING CALVES**

**Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)**

WOW What a day! A combination of being in the full swing of autumn calvers, a backlog of passports and a hangover from Dairy Day led to a stunning entry of 925 calves! Astonishingly the trade held from lot 1 to lot 925. From the best to the rest we've had a really pleasing trade, and the averages speak for themselves when you consider

the number of calves and the amount of young autumn block calves in the mix.

On a week when one supply chain has announced they cant collect their suppliers calves for a few weeks, it is the Livestock Markets which remain as strong as ever. We guarantee you a fair market price and most importantly a weekly outlet for your stock. Thank you to all our vendors, purchasers and staff for your patience and support today.

A lot more Friesians forward and a tip top average of £67.66! Top call went to Mr J.E. Oulton, Audley at £188. The native bulls have been a very good trade but dominated by mediums and smalls. Top call went to a Hereford, the first calf in the ring from E.&R.J. Perry, Whitchurch at £265. Best bulls at £170 to £240, mediums a super trade at £80 to £140. Smallsm at £50 to £70.

The Continental bulls great to sell with all grades seeing good demand! Top call was a Blue from R. Cooper & Son, Church Lawton at £490. Best at £260 to £350, mediums at £150 to £230, smallsm at £80 to £130.

The native heifers have sold very well indeed especially as there was a dominance of medium and smallsm. Top price went to a Hereford from R.J.&D.J. Clement, Gorsey Bank at £205. Best types £100 to £150, mediums and smallsm at £40 to £70.

The Continental heifers a fabulous trade, to average £162 on the Blue heifers after selling 168 speaks for itself! Top call was £365 for a Blue heifer from TS. & AE. Hartley, Mere. Best types £220-£260, mediums £140 to £180, smallsm £60-£110.

A handful of weanlings, including four month Blue bulls from Clayton Partnership at £500. All enquiries to Ben or Jonty.

**NEW VETERINARY ATTESTATION RULE** for Farmers to be introduced on 13 December

**ACTION NEEDED NOW** ..... All livestock vendors to take action now and do not leave it until December to ask their vet for a farm visit and a signed declaration.

#### What's Changing?

Changes in legislation as from 13 December 2023 will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals and or part of any animal to be exported out of the UK. The purpose of this new rule is to comply with EU Export Regulations to verify the absence of notifiable disease and provide general advice on farm bio-security.

#### What Do Producers Need To Do?

Producers will be required to obtain a signed declaration from their vet that the visit has taken place. Obtaining a signed veterinary attestation must be done at least once over a 12 month period and can be combined with any routine veterinary visit. Farmers and Vets much keep a copy.

### STAGE ONE OF APPLICATION NOW OPEN

Farmers are now able to apply for the Online Checker as stage one of the application process, the Rural Payments Agency have informed us.

The Calf Housing for Health and Welfare Grant enables the building of new or upgrading/replacing existing calf housing, to improve the health and welfare of cattle up to the age of 6 months. The housing should provide a good ambient environment and facilitate social contact amongst calves.

To apply farmers must be:

- Located in England
- Have 10 or more head of cattle
- Be the land owner or have a tenancy agreement lasting at least 5 years after the project has been completed.

Farmers with new/start-up businesses or farmers with less than 10 head of cattle are ineligible for the grant at this time.
