**MONDAY 2 OCTOBER 2023**

**164 BARREN COWS, CULL BULLS & OVERAGE CLEAN CATTLE (Green Market)**

**Auctioneer : Bernie Hutchinson (07778 164274)**

Good seasonal show forward with a very mixed entry to go before our buyers and as usual a big thank you to all for your continued support. Trade a little easier which is understandable with more cows coming to the market place due to seasonality, falling milk prices and a large proportion of worked and parlour cows in the entry.

Top of the shop returned at 250p or £1,885.00 for bulls, 248p or £1,906.08 for clean, 227p or £1,829.62 for sucklers and dairy to 206p or £1,321.60. The overall market average returned at 149p.

**95 Dairy** - Good number forward and an extremely mixed entry with a large proportion of parlour cows which would not have enhanced the averages. black and white from Mr W.J. Holdcroft, Sandbach and £1,213.44 etc, JH.&J.Salt & Sons, Tean saw 170p (£1,275.00) and £1,156.68 etc, JM.&SE. Jackson, Longpools Aryshire to 155p (£1,193.50) and The Hall Family, Norton-In-Hales black and white to £1,147.98 to mention a few. The section average returned at 130p (£802.04).

**4 Bulls** - Limousins topped at 250p (£1,885.00) from The Rees Family, Weston Rhyn and a further bull to 228p (£1,851.36). Hereford to 194p (£1,152.36) from Mr I.C. Edwards, Bronington and Simmental to 164p (£1,098.80) from Emma Crust, Rose Hill. The overall returned at 211p (£1,496.88).

## **295 WEANLINGS**

**Auctioneers : Jonty Cliffe (07595 453306) & Ben Baggott (07791 791356)**

A very busy ringside showed the level of demand for weanlings but what was most surprising was some buyers preferred to sit on their hands rather than bid on cattle that just didn't take their fancy. Well-presented and weight for age cattle were fiercely fought over in the 5 to 10 month old bracket, but most others really did take some encouragement! This may have been felt more because of the shortage of best cattle forward today, but make no mistake these strongest cattle are very much wanted.

The biggest show of bulls for some time with nearly 100 on offer. Top spot went to 7 month suckler bred Herefords at £780 for The Houghton Family, Sandbach. Smart 7 month Blue bulls from O.C. Whittaker & Sons Ltd made £525. Best bulls £500 plus, medium bulls or cross bred types £350 to £450.

In the steers we saw a good age range of stock forward with top call going to GG.&NA. Rees, Marchwiell who's 11 month Blues sold for £770. The same vendor saw 10 month Herefords at £660 and 8 month Simmentals at £580. Best older types £550 plus, plainer £450 to £500.

In the younger bracket 6 month Blue steers from GS. & A. Sheard, Stoke-on-Trent made £550 and 4 month Limousin made £500 from PE.&G. Hale, Chester. Best younger types £425 plus, plainer £325 plus.

Strong well grown heifers saw plenty of demand selling to £750 for 10 month Blue heifers from GG.&NA. Rees. Similar aged Herefords from Mr R.C. Booth sold for £650. Best heifers £550 plus, plainer £400 plus.

Younger models including 7 month Charolais from R. Foxley & Sons made £690 and 6 month Angus from The Dyke Family made £640.

**The next sale is Monday 16 October 2023! Which will also include our Suckled Calf Show & Sale. Please get your entries in to Ben or Jonty to ensure that we can advertise them in advance!**

## **WEDNESDAY 4 OCTOBER 2023**

### **160 CLEAN CATTLE & YOUNG BULLS**

**Auctioneer : Bernie Hutchinson (07778 164274)**

Numbers holding reasonably well but dare I say it many more could have been sold to vendors advantage. Returning buyer power certainly pushed the best heifer trade forward and more again needed next week to quench buyer demand. On the day a very buoyant trade

especially for the right goods, loin and shape sells all day! Trade very much underpinned by further finishers which is always a bonus at Drayton being a green.

Leading lights shone brightly to 336p or £2,112.42 for heifers, bulls to 314p or £1,983.90 and steers to 312p or £2,112.80.

**59 Bulls** - Not a vintage show with a lot of end of pen types in the mix which lead to a two tier trade. Not best handy weight sucklers forward, however, this said trade raced away to 314p (£1,789.80) from distant travellers Probert & Probert, Sarn for their Blue and 296p (£1,491.84) and further Limousins to 278p (£1,584.60) and 275p (£1,248.50), The Robinson Family, Church Preen saw their Salers to 274p (£1,775.52) and 262p (£1,891.64). Again distant travellers The Pennie Family, Llandyssil selling Limousins to 268p (£1,865.28) and 255p (£1,983.90). Natives to 255p (£1,315.80) for a Angus from Mr Steve Greenhill, Congleton. Drayton specials sort after especially meat seeing black and whites to 244p (£1,410.32) from Carol Addison, Joy Lane. The section average returned at 238p (£1,376.18).

**35 Steers** - Game of two halves with lean and light cattle attracting the interests of further finishers and meat with shape getting our butcher and wholesaler clients excited. Trade peaked at 312p (£1,728.48) for a Limousin from Jonny Warner & Family, Stoke Heath. Mr Darren Young, Balterley sold Limousin to 308p (£2,057.44), Mr George Proctor, Wood Lane close behind with his Limousin to 305p (£2,122.80). Our very own Brian Owen, Market Drayton brace of Blues to 290p twice (£1,931.40 and £1,861.80) to mention a few. Natives saw Angus to 266p (£1,393.84) from Mr Roy Jefferies, Knutsford. The section average returned at 257p (£1,632.39).

**66 Heifers** - Handy weight full of flesh heifers found another new gear and we could certainly do with more next week please. Trade raced away to 336p (£1,579.20) for a Limousin from The Warner Family, Stoke Heath. Mr Darren Young, Balterley Limousin selling to 327p (£2,112.42) and 264p (£1,742.40), The Williams Family, Conway sold Limousins to 325p (£1,592.50), 314p (£1,482.08), 300p (£1,344.00), 299p (£1,536.86), 290p (£1,432.60) etc, G.E. Wright & Son, Butterhill Bank Limousin to 290p (£1,508.00) to mention a few. Natives sold to 274p (£1,287.80) for a Angus from GW.D.&JW.Goodwin, Rushton Spencer. The section average returned at 250p (£1,401.75).

**Please more cattle required next week to meet increasing buyer demand please. Thank you.**

## 270 STORE CATTLE

**Auctioneer : Ben Baggott (07791 791356)**

Another great entry but not the overall quality as last week but another stand on trade in comparison. All makes and models in demand and of course strong yarding cattle very well bid for.

Only a few feeding bulls in today topping at £1,060 and all mainly selling at £750 to £850. Friesian steers topping at £1,380 and £1,320 for proper sorts. All good sorts £900 to £1,100. Farming types at £600 to £800 and trade mainly at a average of 200p/kg.

Yarding cattle continue to ring the bell at £1,250 to £1,450 topping at £1,590, £1,560, £1,530 etc, etc. Best dairy bred stores at 240p to 260p/kg while those top end suckler bred types at 270p to 290p/kg.

Good demand again for over wintering cattle and again native steers very well bid for. Best at £700 to £800 for twelve month old steers looking well sold. Native heifers a little harder to cash today at £450 to £550 and maybe worth a gamble.

300 plus stores could easily be sold at present - all store enquires to Ben 07791 791356.

### 864 REARING CALVES

**Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)**

Crazy numbers again this week and what a fantastic trade we've seen. Continentals were a phenomenal trade all day long, especially for the numbers forward; I think the averages speak for themselves. Several buyers came to purchase best and second quality calves and they weren't disappointed, plenty to go at, thank you vendors. You wouldn't believe it but every calf was on its way home by 4:30pm, a flawless days trading, a big thank you to the staff for making the day run like clockwork.

As for the individual sections we start with the Friesians which topped at £145 for L.E. Weston & Sons, Whitchurch. Not quite as much demand as recent weeks but best £80 plus, mediums £50 to £70, smalls £20 to £40.

The native bull trade would be a little disappointing on the day compared to everything else. Several buyers after mediums but all buying to their own budget. Best types sold to £240 for an Angus from DLG. Morris & Partners, Handley. Best bulls at £160 to £220, mediums at £80 to £130. Smalls at £50 to £70.

The Continental bulls stayed dear all day long, thank you vendors for supplying the quality! Top call was a cracking Charolais from J.&AJ. Weatherby, Sandbach at £490. Blues sold to £390 for J.R. Ward & Sons, Darnhall. Best at £280 to £350, mediums at £180 to £260, smalls at £100 to £150.

The native heifers a stand on trade with plenty of demand ringside especially for mediums and smalls. Top price went to a Hereford from Sillito & Gill Farming, Ashley at £212. Best types £100 to £140, mediums and smalls at £40 to £90.

The Continental heifers would be the trade of the day, for the time of year, for us to have the Blues average at £169 per head is unbelievable. Top call was £430 for a superb Charolais heifer from The Weatherby Family, Betchton Heath. Best types £220 to £260, mediums £140 to £200, smalls £70 to £130. All calf enquiries to Ben or Jonty.

**NEW VETERINARY ATTESTATION RULE** for Farmers  
to be introduced on 13 December

**ACTION NEEDED NOW** ..... All livestock  
vendors to take action now and do not leave it until  
December to ask their vet for a farm visit and a signed  
declaration.

#### What's Changing?

Changes in legislation as from 13 December 2023 will  
require all producers selling livestock for slaughter to have  
had an annual farm veterinary visit to allow their animals  
and or part of any animal to be exported out of the UK. The  
purpose of this new rule is to comply with EU Export  
Regulations to verify the absence of notifiable disease and  
provide general advice on farm bio-security.

#### What Do Producers Need To Do?

Producers will be required to obtain a signed declaration  
from their vet that the visit has taken place. Obtaining a  
signed veterinary attestation must be done at least once over  
a 12 month period and can be combined with any routine  
veterinary visit. Farmers and Vets much keep a copy.
