WEDNESDAY 18 OCTOBER 2023

200 CLEAN CATTLE & YOUNG BULLS

Auctioneer : Bernie Hutchinson (07778 164274)

Good number and big thank you for the support but not the usual stamp of cattle forward and certainly not a "stella line up"!! Not a vintage show with two thirds of the cattle very light or lean and thank goodness its green with further finishers being the most active buyers on the day. Just to quantify several butchers and wholesalers unable to start due to the lack of loin, weight and shape, more butchers types required next week please — thank you in anticipation.

Leading prices returned at 334p or £2,015.00 for heifers, 320p or £2,009.60 for steers and 313p or £2,599.92 for bulls.

80 Bulls - Very much a two tier trade with buyers looking for shape, loin and weight and these selling to a premium with light, cold and plain bulls harder to place. Best sucklers raced away to 313p (£2,209.78) for Limousin from Mr Edward Evans & Family, Halfway House and further bull to 309p (£2,230.98). Mr John White & Family, Brewood saw 304p (£2,164.48) for their Limousin and 300p (£2,088.00), Mr P. Nixon, Timbersbrook Limousins to 294p (£1,487.64), 279p (£1,791.18), 278p (£1,595.72) etc, distant travellers The Jones Family, Cwmtirmynach saw their Charolais to 288p (£1,090.88). In the lump Paul & Christine Tippetts, Park Lane Limousin grossed a staggering £2,599.92. Natives saw Angus to 279p (£2,165.04) again from John White & Family, Brewood. Drayton specials saw black and whites to 233p (£1,407.32) from The Barlow Family, Hamstall Ridware. The section average returned at 235p (£1,428.08)!!!

47 Steers - The good, bad and ugly all in attendance selling on a very firm trade considering the stamp of cattle forward. Only a handful of super stars and these sold to 320p (£2,009.60) for a corking Limousin to new faces at Drayton and distance travellers The Summerfield Family, Worcester and further Blue to 314p (£1,853.56). Closer to home saw Mr Bernard Parsons of Nagington & Parsons Limousin to 269p (£1,726.98) and Mr Bob Yeomans, New Steet Lane run of Simmentals to 269p (£1,705.46), 268p (£1,817.04), 263p twice (£1,851.52 and £1,762.10). Natives sold to 292p (£1,541.76) for a Angus from NG. & P. Sidebottom, Marple Bridge. The section average returned at 250p (£1,636.39).

73 Heifers - Not quite the show we have been experiencing with a lot of end of pen types forward but as always we do not cherry pick the best and leave the rest, but it did leave our buyers short on quality. Best sucklers raced away to 334p (£1,716.76), 310p (£1,674.00), 298p (£1,519.80) and 282p (£1,573.56) for Limousins from Will Leese & Family, Horsley. Distant travellers The Summerfield Family, Worcester took highest grossing heifer at £2,015.00 for a corking Limousin. Natives saw Angus to 280p (£1,366.40) from The Bartram Family, Stowe-By-Chartley. The section average returned at 240p (£1,312.13). **Please more cattle required next week to meet increasing buyer demand please. Thank you.**

271 STORE CATTLE

Auctioneer : Ben Baggott (07791 791356)

Good numbers forward again and trade very similar with the edge just off but barley noticeable. Cows and calves topped at £1,480 for Herefords from Mr J.D. Parker, Ellesmere Port who had others at £1,340.

Good demand for bulls today topping at £1,060 with the best at £800 to £900 — more could have been sold.

A level trade for Friesians today at around 200p/kg average. Best at £900 to £1,000 topping at £1,090, farming sorts at £700 to £850.

Yarding cattle trading at £1,200 to £1,400 topping at £1,700 and £1,680 for quality big forward cattle. Trade very much around that 220p/kg average with top end at 240p to 260p for dairy bred and 260p to 280p almost 300p for suckler bred cattle.

The edge just off some of the over wintering cattle today but only a penny or two. Best sucklers at £900 to £1,000 with good dairy bred steers at £700 to £800. Some nice continental heifers at 300kg trading at £580 to £620 look a nice buy.

NEW VETERINARY ATTESTATION RULE for Farmers to be introduced on 13 December

ACTION NEEDED NOW All livestock vendors to take action now and do not leave it until December to ask their vet for a farm visit and a signed declaration.

What's Changing?

Changes in legislation as from 13 December 2023 will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals and or part of any animal to be exported out of the UK. The purpose of this new rule is to comply with EU Export Regulations to verify the absence of notifiable disease and provide general advice on farm bio-security.

What Do Producers Need To Do?

Producers will be required to obtain a signed declaration from their vet that the visit has taken place. Obtaining a signed veterinary attestation must be done at least once over a 12 month period and can be combined with any routine veterinary visit. Farmers and Vets much keep a copy.
