NEW VETERINARY ATTESTATION RULE for Farmers to be introduced on 13 December

ACTION NEEDED NOW All livestock vendors to take action now and do not leave it until December to ask their vet for a farm visit and a signed declaration.

What's Changing?

Changes in legislation as from 13 December 2023 will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals and or part of any animal to be exported out of the UK. The purpose of this new rule is to comply with EU Export Regulations to verify the absence of notifiable disease and provide general advice on farm bio-security.

What Do Producers Need To Do?

Producers will be required to obtain a signed declaration from their vet that the visit has taken place. Obtaining a signed veterinary attestation must be done at least once over a 12 month period and can be combined with any routine veterinary visit. 310 WEANLINGS

Auctioneer : Jonty Cliffe (07595 453306)

Brilliant numbers forward to follow our quiet sale 2 weeks ago. A mixed bag of quality with several fit and well-presented weanlings as well as a few groups looking like end of batches. After the phenomenal trade in November, a cold and wet few days must have dampened the spirits of some as the ring seemed quieter than last month. This didn't impact the trade on the best, but medium and plainer grades would be less money than November.

Starting with the bulls we saw excellent demand for the strongest, but less demand for small for age bulls. Top spot going to 8 month Blonde at £640 for Mr J. Price, Stafford, who also sold 7 month Blues to £510. Smart 4 month Angus bulls sold to £380 for Baddiley Hulse Ltd, Baddiley. Best bulls £475 plus, medium bulls or cross bred types £350 to £450.

In the steers we saw a strong trade for well grown types including 10 month Angus from Mr M. Groom, Croxton which sold for £695. In the Blues we had a top price of £595 for 7 month types from JMUU Ltd, Stafford. Smart 5 month Simmentals from DA.&JC. King, Wrenbury sold to £560.

In the younger natives a group of 7 month Herefords made £510 for DN.&JG. Price. Best types £525 plus, mediums £400 to £500.

All heifers a super trade, although buyers got more picky as the sale went on. Top call was £655 for 10 month Blues from Emma Clarke, Wincham. Smart 8 month Herefords from Mr K. Bailey, Stoke-On-Trent made £610. Pick of the younger types was 5 month Blues from DA.&JC. King, Nantwich at £560. Best heifers £500 plus, mediums £400 plus. **The next sale is on Monday 18 December 2023. Get your entries in to Ben or Jonty to ensure that we can advertise them in advance!**

551 REARING CALVES

Auctioneer's : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

Consistent numbers forward and another pleasing trade to go with it. December can be a tricky month to sell with many buyers taking their foot off the gas until the new year. But even with a handful less farmer buyers around the ring today there's been no change in the trade for the best, and only a shade less for the mediums and smalls. All I can say is keep bringing the quality calves and we will continue to do our very best to provide you with an excellent trade. After a Shakey start to the year, the calf prices have been extremely pleasing so with two more sales left in 2023 lets hope it finishes on this high!

Excellent trade in the Friesians with top call going to RJ. & DJ. Clement, Gorsey Bank at £152. Best £120 plus, mediums £60 to £110, smalls £30 to £50. The native bulls have been on fire and Angus bulls would be the trade of the day! Nine buyers after best/medium Angus bulls today! Top call went TS.&AE. Hartley, Mere at £310. A further 10 sold for over £245. Best types £230 to £280, mediums at £140 to £210. Smalls at £60 to £120. Best and second quality Continental bulls show no sign of letting up with another phenomenal trade. Top spot went to a Blue from J.R. Ward & Sons, Darnhall at £402. Best at £320 to £400, mediums at £200 to £280, smalls a touch easier at £100 to £180.

The native heifers have been in a similar gear with decent demand for mediums and smalls today. Top price went to a Hereford at £270 from Mr J.W. Trott, Wrexham. Best types £160 to £230, mediums at £50 to £120.

The Continental heifers have lacked quality today with very few best but a strong demand for mediums. Top call was £290 for three different vendors, B.J. Mould Ltd, TS.&AE. Hartley and A.L. Moore & Partners. Best types £240 to £290, mediums £150 to £230, smalls £70 to £120. All calf enquiries to Ben or Jonty.
