report the following trade:

NEW VETERINARY ATTESTATION RULE for Farmers to be introduced on 13 December

ACTION NEEDED NOW All livestock vendors to take action now and do not leave it until December to ask their vet for a farm visit and a signed declaration.

What's Changing?

Changes in legislation as from 13 December 2023 will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals and or part of any animal to be exported out of the UK. The purpose of this new rule is to comply with EU Export Regulations to verify the absence of notifiable disease and provide general advice on farm bio-security.

What Do Producers Need To Do?

Producers will be required to obtain a signed declaration from their vet that the visit has taken place. Obtaining a signed veterinary attestation must be done at least once over a 12 month period and can be combined with any routine veterinary visit. Farmers and Vets much keep a copy — PLEASE LET US HAVE A COPY HERE IN THE OFFICE-Thank you

184 BARREN COWS, CULL BULLS & OVERAGE CLEAN CATTLE (Green Market)

Auctioneer : Bernie Hutchinson (07778 164274)

Certainly no "January Blues" with the trade stronger week on week, which is certainly uncharacteristic for the time of year! Lets hope 2024 results in a buoyant year for beef sales and demand keeps outstripping supply. Looking at the script going forward in my humble opinion with dairy and beef herds reducing, sexed seaman, increasing population and reducing land mass supply is going to be continually tight?!? But I have always been a glass half full person and it's the unknown factors which tend to kick the stool from under use!!!

Good numbers forward for the first weanling sale of 2024 and plenty of demand for all grades led to a very pleasing trade for todays vendors. A cracking show of quality with good mix of breeds and ages too meant that we've had something on offer for everyone. 546 REARING CALVES

Auctioneer's : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

Excellent numbers for mid-January and what a cracking show of calves! Several comments today from buyers who were very happy with the amount of top quality calves on offer. Keep them coming and you will be rewarded. A few less buyers around the ring today but those who travelled meant business and created a very fast trade for the best and second quality. Some mediums and smalls would be a little easier on the week.

A super trade in the Friesians with a phenomenal average of £94 per head. Top call going to RW.&J. Faulkner, Oswestry at £188. Best £130 plus, mediums £60 to £110, smalls £30 to £50.

The native bulls have been a cracking trade for the best, with mediums and smalls a little easier than recent weeks, especially Angus. We can sell best Angus bulls all day long, but buyers are spoilt for choice up and down the country when it comes to mediums and smalls, so try to rear yours into the top bracket! Top spot went to an Angus from DLG Morris & Partners, Handley at £280. Best types £180 to £240, mediums at £100 to £150. Smalls at £60 to £90.

The Continental bulls have been a pleasure to sell with a fast trade throughout with mediums looking very dear. Top price was £455 for a Blue bull from W. Hodgson & Sons, Tarporley. Best at £280-£400, mediums at £230 to £270, smalls at £120 to £180.

The native heifers have been a mixed quality but an unbelievable trade, top price going to a Angus from R. McDowell & Co of Market Drayton at £185! Best types £140 to £180, mediums at £70 to £20, smalls £40 to £60.

The Continental heifers have been a good trade with plenty of quality about, a nice group of mediums would cost you £140 to £190 today. Top call was £370 for a super Limousin from Mr G.B. Warner, Shrewsbury. Best types £220 to £280, mediums £140 to £190, smalls £90 to £130. All calf enquiries to Ben or Jonty.
