Few less about which is understandable being a short working week with Easter looming!! I hope and wish everybody a relaxing a DRY Easter Bank Holiday!! Next week I would suggest more cattle will be required with loosing several days due to the forementioned holidays. This week the edge slightly off the better cattle possibly due to slaughter capacity and butchers already sourced beef for this 'bunny fight'. Feeding and commercial types certainly no less and in a few places dear, likewise with the bulls.

811 REARING CALVES

Auctioneer's : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

Back up to the big numbers this week and a jammed packed ringside got stuck in creating a roaring trade; with all grades being on fire! The best seem to get dearer and the mediums and smalls continue to look just as well sold as a comparison. This spring we are seeing more demand for the bottom end which has lifted the trade on everything else, but I think it still pays to get your calves as strong as you can! Six first time buyers came to Drayton today to witness the range of choice we have on offer and they weren't disappointed. If you haven't been to us yet why not give us a try.

Less about in the Friesians but one thing for sure is quality dairy bulls are easy to sell for £100 plus! Top call went to Mr J.E. Oulton, Audley for the third week running who topped at an incredible £260! Best £130 to £220, mediums £70 to £120, smalls £10 to £50.

The native bulls continue in top gear we just lacked a few more best types, mediums and smalls looked very well sold with plenty of cross bred types selling strongly if well presented. Top spot was £320 for an Angus bull from RJ&RH. Gadsbey, Yarlet. Best types £220 to £280, mediums at £160-£200. Smallsm at £60 to £140.

The Continental bulls a blistering trade with more buyers forward today for all grades. Top price was £505 for a Charolais bull from Millenheath Farm Ltd. Best at £320-£400, mediums at £220 to £280, smalls at £150 to £200.

The native heifers carried on in a similar form to last week, with best and mediums at new heights, but unfortunately there were a lot more smaller heifers about which are only wanted at a price. Top price going to Angus at £275 from RJ&RH. Gadsbey. Best types £180 to £240, mediums at £120 to £160, smalls £30 to £80.

The Continental heifers have included several runs of cracking heifers and huge demand for mediums bumping up the trade. Top call going to a Charolais at £390 from RJ&RH. Gadsbey, Yarlet. Best types £260 to £360, mediums £160 to £240, smalls £130 to £170.

A few weanlings included a 3-4 month old Limousin bulls from I.&CJ. Sherwin, Sproston at £550. All calf enquiries to Ben or Jonty.
