283 WEANLINGS

Auctioneer : Jonty Cliffe (07595 453306)

Easter Bank Holiday Monday brought buyers from across the region to Market Drayton to try and purchase some weanlings and with a roaring trade many went home empty handed! An entry which seemed heavily dominated with Natives rather than Continentals as several runs of grazing cattle looked a strong price as some buyers looked to fill up before grass season arrives, even if it could be a long way away! Starting with the bulls, a dominant show of under 8 months and they've been very well sold. Top spot go-

ing to a 8mo Blues at £840 from HK & SB Bennett, Woodseaves. Also worth a mention were 3-4mo Blue bulls from Brittlebank Partners, Leigh at £590. Native bulls saw 6mo Angus at £580 for R Langford & Partners, Chester.

The steers a fast trade throughout with a good mix of older and younger weanlings. Best steers all well over £700! Top spot went to 11mo Blue steers from C Powell, Whitchurch at £880 and G Ibbs, Stoke-on-Trent sold Angus to the same price. 7mo Blue steers from HK&SB Bennett made £760 and 7mo Angus from EG Dyke & Son, Cotes Heath at £690. Heifers just as dear as the bulls and steers with nothing to pick between the Conti's and Natives. Top call was £1010 for a pair of stunning 10mo Charolais from SJ Baker, Codsall. 12mo Blues from G Ibbs made £950 and 7mo Limousin from GD Barratt, Buerton sold for £870 and 5mo Blonde heifers made £660 from Simon & Sharon Harper, Leek. The next sale is on Monday 15th April 2024. Get your entries in to Ben or Jonty to ensure that we can advertise them in advance

266 CLEAN CATTLE & YOUNG BULLS

Auctioneer : Bernie Hutchinson (07778 164274)

We've certainly hit it out the park this week with a fantastic number selling on a blistering trade! Huge vote of thanks to all the vendors, buyers and team for their continued and patient support! Full accompaniment of buyers and all looking for numbers to fulfil orders ensured a strong trade from the first bull to the last clean and dare I say it many more could have been sold to vendors advantage!

WEDNESDAY 03 APRIL 2024 (10.30AM)

£2,300 DAIRY TOP

Today's quality was the poorest for some considerable time. The incessant rain and the large number of cattle to be offered locally during the next week resulted in a very selective trade.

Cows were generally of a better standard with fourth calvers from M & S Wilson & Son, Crewe selling to £1,800 and a three quartered fourth calver making £1,700 from the same home.

An Ayrshire second calver from RC & AL Adams, Stoke sold for £1,720.

Served heifers sold to £1,280 and bulling heifers £750.

Averages:

First Quality Heifers to £2,300

Cows to £1,800

653 REARING CALVES

Auctioneer's : Ben Baggott (07791 791356) & Jonty

Cliffe (07595 453306)

A cracking trade today as the job remains as strong as ever. A few less about with some vendors waiting on passports after Easter! Similar numbers of best calves about which continue to sell over vendors expectations, whilst the mediums and smalls remain in high demand if well-presented and having plenty of shape. No sign of the trade easing yet but normally April sees a dip in the trade until the Lilacs come out in May, so keep these strong calves coming to guarantee the top end prices!

Less about in the Friesians but one thing for sure is quality dairy bulls are easy to sell for £140 plus. Top call went to CB Davies & Partners, Saughton who topped at £215! Best £120-£180, mediums £70-£100, smalls £20-£60. The native bulls continue in top gear we just lacked a few more best types, mediums and smalls looked very well sold with plenty of cross bred types selling strongly if well-presented. Top spot was £350 for an Angus bull from Sam Bailey, Stafford. Best types £240-£300, mediums at £160-£220. Smalls at £60 to £140. The Continental bulls a blistering trade with more buyers forward today for all grades. Top price was £575 for as good of a calf as we may see all year! Being a Charolais bull from CE&GS Witter & Sons, Sandbach. Best at £320-£420, mediums at £230-£300, smalls at £150-£220. The native heifers a strong trade once again with some cracking averages as there are still plenty of spring calving types in the mix. Top price going to a Hereford at £290 from GB Warner, Shrewsbury. Best types £160-£230, mediums at £100-£140, smalls £50-£90. The Continental heifers have included several runs of cracking heifers, best types very dear again, mediums and small a tad easier than recent weeks but plenty of demand keeping the job buoyant. Top call going to a super Blue at £530 from GM&HJ Fern, Penkrige. Best types £250-£300, mediums £170-£230, smalls £130-£160. All calf enquiries to Ben or Jonty.
