902 REARING CALVES

Auctioneer : Jonty Cliffe (07595 453306)

A phenomenal day with crazy numbers and a trade that needs to be seen to be believed! Even the large entry didn't dampen the trade with prices holding well to the finish. Another new record price, as we hit £805 for a Charolais bull from S.&M. Huxley & Son, Stoke-On-Trent.

Thank you to vendors, purchasers and our staff for your patience and support during another busy day in the calf section. We expect to see this sort of numbers for a few more weeks, with the spring calvers and some new/returning vendors increasing our entry currently. Remember when you look at the averages that the spring calves are all included!

Huge numbers of Friesians as expected. Top price was £250 from AJ.&ME. Minshall Ltd, Tean. Best bulls £160-£250, mediums £90-£150, smalls £30-£70.

A lot more native bulls forward this week with many new/returning faces, and what an extraordinary trade! Top spot was £485 for an Angus from W.J. Lewis & Co, Farndon which was one of 63 bulls over £400. Best types £420-£480, mediums £300-£400. Smalls £180 to £280.

2,737 PRIME HOGGETS

Auctioneer : Mark Jones (07813 625787)

Hoggets sold to a slightly easier trade as expected. Handy weight and meaty hogs would be easy to sell but heavy sheep remain harder work. Nevertheless a total clearance was reported and an overall market average was returned at a very pleasing 343p.

£350-£450, smalls at £200-£330.

The Native heifers continue to see an electric trade especially for the best and mediums! Overall a very average entry with a lot of spring calving types in the mix. Top spot going to an Angus from JT.&J. Forrester, Dilhorne at £450. Best types at £280-£370, mediums at £180-£260, smalls £60-£150.

The Continental heifers saw plenty of quality in the ranks as £400 seems no barrier! Top price was £580 for a Blue from AJ.&ME. Minshall, Tean. Best types £400-£500, mediums £310-£370, smalls £240-£290.

Key Topics included:

Case Law updates on untangling partnerships,
proprietary estoppel and environmental impact
assessments for planning

Inheritance Tax in the Budget - what does it mean?

Changes to the rules for succession
to Agricultural Holdings Act Tenancies

“

The whole day was really interesting and very well attended by solicitors, barristers and surveyors. The changes in case law, particularly regarding estoppel cases, is fascinating and very relevant today when farming is facing so many challenges. We were pleased to see that for succession to AHA Tenancies they have 'widened the gate but raised the bar'.
