MONDAY 28 APRIL 2025 187 BARREN COWS, CULL BULLS & OVERAGE CLEAN CATTLE (Green Market)

Auctioneer : Bernie Hutchinson (07778 164274)

Cracking number forward and demand to meet the supply resulting in another record breaking sale!! Trade was hotter than the weather with new highs of over 400p for sucklers and top overall market average of 268p. The talk ringside trade was going to ease but it certainly did not seem to happen on the night with wholesalers, exporters, further finishers and end users all keen to purchase and fuel the trade. Huge vote of thanks for all our support with some vendors passing numerous outlets to sell at Market Drayton and to our ring of buyers who are always keen to support.

WEDNESDAY 30 APRIL 2025

206 CLEAN CATTLE & YOUNG BULLS

Auctioneer : Bernie Hutchinson (07778 164274)

Great to see the consistency of numbers and support ringside. Trade remains extremely buoyant even though the talk ringside was wholesalers wanting their cattle less, which just did not happen on the week in fact some cattle would be dearer sold. Not quite the vintage entry we have been seeing with a lot of light leaner types forward which looked extremely well sold with an army of further finishers all competing to secure ownership and value add. Please do not rush your cattle as I believe this trade is set for the medium to long term with possibly a few bumps in the road, like short weeks, blue tongue areas changes and slower sales as "joe public" recalibrates their buying habits.

The heat in the 'kitchen' bailed up to 460p or £2,970.32 for bulls, 456p or £3,070.40 for heifers and 438p or £3,364.08 for steers. The overall market average returned at 382p or £2,246.42.

Please remember the new order of sale, with tested cattle being sold first followed by non-tested and to conclude with the bulls.

68 Bulls - Extremely mixed entry with the good, bad and ugly all well represented on the day and all finding an extremely brisk trade. An entry short of the very best suckers and heavy bulls this week and more needed next week please to service growing interest. Distant supporter Mr Richard Reynolds, Woodhouse Eaves dominated the podium with his continental bulls to 460p (£2,732.40), 441p (£2,734.20), 440p (£2,411.20), 428p x 3 (£2,970.32, £2,542.32, & £2,268.40) and 418p x 2 (£2,867.48 and £2,115.08) etc and Richard also topped the natives with his Shorthorn to 437p or £2,053.90. The Johnson Family, Wood Lane saw 450p (£2,889.00) and Mr Daf Morris & Family, Maengwynedd Bazadaise to 419p (£2,564.28) and Mr Chris Barnsley, Morridge Top Limousin to 418p (£2,800.60) to mention a few. Drayton specials saw black and whites to 370p (£1,598.40) from Mr Wayne Spedding, Roden or £2,654.56 from The Leeke Family, Alberbury. The section average returned at 380p or £2,231.13.

59 Steers - Great to see some stronger steers forward and these raced away to 438p or £2,671.80 for Limousin from Mr Julian Corfield, Corfield & Aston and further cattle to 426p (£2,547.48), 425p (£2,958.00) etc.

Second steer in the ring from LG Farms Ltd, Spoonley sold to 434p (£2,499.84) for a Limousin and 428p (£2,508.08) for the first! The Siddorn Family, Tattenhall saw 432p (£2,402.92) for their Blondes. In the lump Mr Ian Barlow, Hamstall Ridware Limousins returned £3,364.08, £3,004.40 etc. Natives sold to 383p (£2,596.74) for Angus from JG.&DJ. Francis & Son, Newtown. The section average returned at 388p or £2,534.39.

79 Heifers - Electric trade throughout especially for stronger, well fleshed types with prices racing away to 456p or £2,726.88 for a Limousin from Mr Edward Evans & Family, Lane Farm and further heifers to 436p (£2,860.16) and 404p or (£3,070.40). Two regular Cheshire vendors saw their Continentals to 442p (£2,811.12), 440p (£2,129.60), 430p (£2,502.60) etc. Mr Darren Young, Balterley Limousins to 440p (£2,719.20) and 430p (£2,476.80) to mention a few. Natives a real corker seeing Angus to 438p or £2,338.92 from Mr Julian Corfield, Corfield & Aston. The section average returned at 380p or £2,275.32,

Please keep the numbers coming to meet this flying demand. Please ensure all cattle are accompanied with a FILLED IN DECLARATION FORM signed & correct Farm Assurance details. Thank you.

The calves just keep on coming as does the level of trade!! An extra hundred calves this week bringing Aprils total calf numbers to just shy of 5000. As for the trade it has

continued in the highest gear where the demand remained strong to the finish. The best continue to demand a premium with 122 over £600 and a new record top price of £1,000 for a Charolais bull from S&M Huxley & Son, Stoke-on-Trent. Numbers normally begin to ease as we hit May, but with the current level of trade we're hoping numbers will remain high to satisfy the demand we have at MDM.

Friesian Bulls – One hell of a trade with a section average of £156. Top price was £380 from Mr B. Worth, Whatcroft. Best: £200-£320, Mediums: £120-£180, Smalls: £50-£100.

Continental Bulls – An exceptional trade across all grades, with demand very high! Top price: £1,000 for a Charolais from S&M. Huxley & Son. A further seven vendors sold calves for over £800. Best: £600-£850, Mediums: £450-£575, Smalls: £250-£400.

Native Heifers – They just about followed last weeks demand with best and medium heifers sky high but smalls would be a little easier on the week. Top price: £530 for a Hereford from Mr P.T. Hillard, Budworth. Best: £350-£450, Mediums: £220-£320, Smalls: £100-£200.

Continental Heifers – Quality was in abundance this week and trade remaining through the roof for the best with 39 heifers making over £550 but all grades in high demand. Top price: Lot number 857, a Blue heifer at £775 from Mr A.T. Williams, Wrexham. Best: £500-£600, Mediums: £350-£450, Smalls: £270-£340.
