# barbersRURAL

rural surveyors & property agents

We wrapped up our 2025 Agricultural and County Show season at the end of last month with a fantastic day at the Nantwich Show. This marked the conclusion of a successful year, following appearances at both the Staffordshire County Show and the Newport Show. Each event provided a valuable opportunity to connect with the rural community and extend our hospitality to our valued clients.

Our stand at Nantwich this year was bigger, better and busier than ever. We're incredibly grateful to everyone who stopped by, it is these conversations that make the shows so rewarding for us.

Agricultural shows remain a vital part of rural life, offering a unique opportunity to meet clients old and new, hear first-hand about the challenges facing the sector and share how we're supporting farmers, landowners, and homeowners throughout the region.

Plans for the 2026 show season are already underway and we can't wait to do it all again!
