Boom, what a number and what a trade for the time of year!! Clean beef trade may have eased but the barren trade remains remarkably brisk especially with more further feeding buyers present and end users competing for your cows. Like we keep saying we do not necessarily want all your cows but just send a proportion to test the trade and support the market! At Market Drayton we try to be a hub for farmers and the rural community to all come together offering an outlet for calves, dairies, barrens and dispersal sales and we are here to support you and we appreciate your support be it weekly, monthly or yearly so a big thank you all local and distant supporters be it selling or buying.

245 WEANLINGS

Auctioneer : Jonty Cliffe (07595 453306)

A decent number forward with numbers continuing to look short nationwide — and what a trade we've had! Some really cracking runs of quality weanlings on offer but also many which were showing signs of a hard summer. All have sold very well indeed, so if you have some to sell get them tested for the October sales. The Suckled Calf Show & Sale is Monday 20 October!

Bulls — A decent number forward with 33 bulls; they've all been under 8 month old today. Top price went to a 8mo Angus at £850 from Mr T.A. 197 CLEAN CATTLE & YOUNG BULLS

Auctioneer : Bernie Hutchinson (07778 164274)

Few more forward selling on another similar trade to last week with meat and shape very easily placed but second and third quality types benefiting from further finishers or breaking orders. Please do not rush your stock as going forward I am sure trade will find another gear as we march towards the “C” word!! As always at Drayton we do not “cherry pick” the best and leave the rest, we are always trying to value add to the “good, bad and ugly”!

The 400 pence mark is still a boundary but the right types have breeched it several times today. Top prices returning at 430p or £2,592.00 for heifers, 414p or £2,738.80 for steers and 413p or £3,128.40 for bulls. The overall market average returned at 350p or £2,030.22.

46 Bulls - A few less about with best sucklers back breaking, 400 pence mark and averages slightly up on the week but in fairness more flesh around this week. Sucklers peaked at 413p or £2,205.42 for a Limousin from distant supporters Mr Chris Price, Llanfihangel and further bulls to 402p (£2,315.52) and 400p twice (£2,232.00 and £2,200.00). Mr D. In the lump Mr J.T. Johnson, Utkinton saw their Limousin realise £3,128.40. Natives to 368p twice with Angus from ED. & J. Morris & Sons, Llangedwyn returning £2,112.32 and a Hereford from Dave Benbow, Eccleshall to generate £2,046.08. 85 Steers - Big show forward boasting every connotation known to the farming fraternity and all changing hands on the day!! Best end very easy to place topping at 414p or £2,409.48 for a Limousin from LG Farms Ltd, Market Drayton and further Limousins to 410p twice (£2,738.80 and £2,632.20), 406p (£2,216.76) and 404p (£2,472.48), 390p (£2,457.00), Mr Brian Owen, Market Drayton saw his Blue Crosses to 399p (£2,274.30) and 392p (£2,242.24) to mention a few. Natives sold to 374p (£2,490.84) for a Hereford from RD.&A. Goodall, Caverswall. The section average returned at 345p or £2,226.52 and this represents a very mixed entry!

66 Heifers - Very similar story to the steers with super star quality racing away to 430p or £2,386.50 for a Limousin from distant supports The Roberts Bros, Aberystwyth and further heifers to 424p (£2,387.12), 420p (£2,347.80) and 408p (£2,501.04). Closer to home Mr Martin Edwards & Family, Lower Morton saw 409p (£2,110.44) for their Limousin. Mr Jonny Warner & Family, Stoke Heath Charolais to 400p (£2,144.00) and 389p (£2,061.70) and R.& SF. 915 REARING CALVES

Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

What an entry! An additional 260 calves forward this week took us to over 900 head for the first time this Autumn. Trade was outstanding given the numbers forward, with plenty of quality calves on offer – reflecting in 102 calves selling for over £500. Medium and smaller types

were a shade easier on the week, though it is worth remembering that we are now at the back end of the year and prices remain, on average, £100 per head above this time last year. A sincere thank you to all buyers, vendors, and staff for their continued support and patience on what proved to be a very busy day in the calf section.

Friesian Bulls – A huge entry and good demand for all grades today. Top price was £355 from FQ Farming Ltd, Burwardsley. Best: £150-£270, Mediums: £80-£140, Smalls: £40-£70.

Native Bulls – A super trade and a lot more quality this week, with 48 over £400. Top price: Angus at £540 from WJ Holdcroft, Sandbach. Best: £350-£450, Mediums: £250-£325, Smalls: £150-£225.

Continental Bulls – The trade of the day with a real fast pace to all grades of bulls with several buying accounts in operation. Top price: £860 for a Simmental bull from Mr F. Whittaker, Sandbach. Best: £450-£600, Mediums: £350-£425, Smalls: £200-£325.

Native Heifers – A better show of heifers but still a lot of small/young types in today. The best demanded a substantial premium in comparison to the rest. Top price: Angus at £395 from C Whitticase, St Martins. Best: £250-£350, Mediums: £150-£220, Smalls: £75-£125.

Continental Heifers – A good trade and strong demand for all heifers. The best demanding a big premium similar to the natives. Top price: £615 for a Blue from GA Hargreaves & Son, Cresswell. Best: £450-£550, Mediums: £300-£400, Smalls: £150-£250. For all calf enquiries, please contact Ben or Jonty.
