**182 BARREN COWS, CULL BULLS &
OVERAGE CLEAN CATTLE (Green Market)**

Auctioneer : Bernie Hutchinson (07778 164274)

Another cracking entry forward and far from a vintage entry with a large proportion of plain and worked

cows in the mix. Great to see more returning faces supporting the market and selling in a very buoyant trade especially young lean cows with over 60 being brought by further finishers to value add. That's the beauty of the green market and the addition of more buyers and accounts operating to under pin and add value to your cows. Big thank you to all our vendors and buyers for their continued support.

Highlights of the sale returned at 329p or £3,540.04 for bulls, 295p or £2,289.60 for sucklers and 290p for dairy. Overall average returned at 231p or £1,402.25.

DAIRY CATTLE

Auctioneers: Jason Brown (07774 816384) & Gwilym Richards (07768 020393)

A very much depleted entry due to the ploughing match. Despite our efforts to persuade the vendors it does not effect the trade we only had a handful of milkers entered. The few brave souls were very well rewarded with top price going to Messrs Cranes of Stixwould, Woodhall Spa at £2,300 closely followed by Mrs V.E. Lloyd, Buerton at £2,100.

Shorthorn Crosses to £1,700 from HS.&A. Callwood, Ollerton. Out of pattern cross bred served heifers to a very respectable £1,390 and baby calves to £285 from John Archer Farms. The ringside was packed with buyers looking for best quality heifers.

We are here to help and guide you with your sale choices. Please ask re marketing of your stock to the best of their ability. We have buyers now looking for all sorts of milkers, in-calvers, bullers and maidens here at our Wednesday dairy sales and monthly Monday youngstock sales.

768 REARING CALVES

Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

A good entry of calves today, though numbers were slightly back on last week. Trade was a little easier overall, yet it remains very positive for the time of year — with averages still £50–£80 per head ahead of this time last year. This is a real plus when you remember the absence of our Welsh buyers who are unable to cross the border to purchase in this busy period of Autumn calving. A sincere thank you to all buyers, vendors, and staff for their continued support and patience on another busy day in the calf section.

Friesian Bulls – A decent entry of quality and good demand for all grades today. Top price was £380 from James & Tom Oulton, Audley who sold others at £370. Best: £150-£300, Mediums: £80-£140, Smalls: £40-£70.

Native Bulls – A good trade but more stronger bulls needed to meet demand, many mediums would benefit from an extra week at home. Top price: Angus at £530 from J&D. Royall & Sons, Alsagers Bank. Best: £300-£425 Mediums: £225-£300, Smalls: £150-£200.

Continental Bulls – An excellent trade, there's no let up in the demand for the best and stronger mediums. There has been a lot of younger bulls about today in the £240-£280 bracket which just needed another weeks rearing. Top price: £740 for a Blue bull from GM&HJ. Fern, Penkridge. Best: £450-£600, Mediums: £325-£425, Smalls: £200-£300.

Native Heifers – A decent show of heifers but still a lot of small/young types forward currently. The best demanded a substantial premium in comparison to the rest. Top price: Hereford at £500 from GM&HJ. Fern, Penkridge. Best: £250-£350, Mediums: £150-£220, Smalls: £75-£125.

Continental Heifers – A good trade and strong demand for all heifers. The best demanding a big premium similar to the natives. Top price: £590 for a Blue from GM&HJ Fern. Best: £400-£500, Mediums: £300-£375, Smalls: £150-£250.

A handful of weanlings included 3 month Angus heifers to £500 from B Worth, Whatcroft. For all calf enquiries, please contact Ben or Jonty.
