VENDOR'S FOREWORD

As a result of Peter Dixon Smith passing away in 2025 the Keythorpe Farms Partnership is restructuring and has decided to disperse the spring calving portion of the herd from Glebe Farm, Oakham, Rutland.

The Keythorpe Farms Partnership was formed in 2004, started Organic conversion in 2005 with OF&G and has run an Organic herd of pedigree Holstein cows since 2007. In 2011 Peter and I purchased Glebe Farm. It was initially run as a dry stock farm which then became the spring calving unit in 2015.

This sale comprises of 90 in-calf spring calving cows, 50 in-calf heifers and 36 calves born spring 2026. All animals are in calf to pedigree Aberdeen Angus bulls.

Cows to – Attwell Phrixus Earth
Heifers to – Attwell Aaron Earth

All animals received Blue Tongue vaccine in summer '26.
The cows received IBR, Lepto & BVD vaccines in November '26.
The in-calf heifers received IBR, Lepto, BVD & Huskvac vaccines in Spring '26.

Some of the cow families originate from Peter's Lyons Herd. To name a few, The Maisie's, Katy's and Frolic's. Also included is progeny from High Point Chief Mary EX96 5E who gave 176 tonnes of milk in her lifetime. The majority of the herd is pedigree with some families still grading up.
At our last classification in May 2025 we selected a group of 46 cow of which 21 went Excellent and 24 went VG.

As a grazing herd production levels at Glebe Farm have been challenged over the last two summers with severe droughts, poor grass growth and limited organic forage availability.

Herd average;	Milk	6,200KG
	Butterfat	4.68%
	Protein	3.49%
	Concentrate	1.4tn/cow

Being an Organic herd we have always bred for a robust, sound type of cow with high management traits, positive fertility, high fat & protein % and have used high PLI bulls such as Atrium, Generate, Profit, Sprite, Tulare-ET and Keythorpe Maryam.

WE are really pleased with the milking heifers at Keythorpe who are by Cogent - SJK Helium, World Wide Sires UK - Cirrus P and Semex - Westcoast Almamater. The in-calf heifers in the sale today are by the same sires and I have confidence that they will fit all systems of production.

Myself, Michaela, Jess and Giles take great pride in working with and breeding strong Holstein cows that feed outside for 365 days a year, graze grass for 9 months and quality organic grass silage through the winter.

We are sad to see these girls go but hope they can bring as much joy and profitability to those who purchase them as they have for us.

VENDOR'S FOREWORD

Tanat Shorthorns – Pedigree Dairy Shorthorn Sale

The Bailey family welcome you to the sale of our Tanat Shorthorn herd.

Our parents, Peter and Elizabeth Bailey, milked a small herd of Friesians at Bryn Coch from 1955, with us both continuing until 2009. It was then that we took a chance on purchasing two Dairy Shorthorn cattle at Beeston Market, sparking an interest in the breed that would eventually lead to the establishment of the Tanat Shorthorn herd.

Bulls were purchased from both the Nejay and Rodway herds, whilst foundation females were acquired through society sales from several well-established herds, including Dunham, Kayl, Dee, Cottonhall, Broadlane and Elkington.

The Dairy Shorthorn proved to be ideally suited to our farming system at Bryn Coch, thriving on a low-input approach based on grass, grass silage and concentrates. In March 2010, we began registering the herd under the Tanat Shorthorns prefix and have taken great pleasure in developing our pedigree herd over the years, whilst enjoying the many friendships we have made with fellow Dairy Shorthorn breeders along the way.

Dave and Frank Bailey

1.1.2 If there is any conflict or inconsistency between the elements comprising the Composite Conditions the order of precedence shall be first, the Special Conditions, secondly the Conditions and thirdly, the LAA Conditions.

1.1.3 A copy of the LAA Conditions and any Special Conditions is available for inspection upon request.

1.2.1 All other lots are sold subject to these conditions, ("the Conditions"), and any special conditions expressly applicable ("the Special Conditions") (all together "the Composite Conditions").

1.2.2 If there is any conflict or inconsistency between the elements comprising the Composite Conditions the order of precedence shall be first, the Special Conditions and secondly, the Conditions.

1.2.3 A copy of any Special Conditions is available for inspection upon request.

2. All lots are accepted for sale on the terms the Vendor warrants his right to sell the same and undertakes to indemnify the Auctioneers against all actions, proceedings, claims, costs, charges and expenses to which they may be exposed or which they may incur by reason of any defect in the Vendor's title.

3. The Auctioneers act in all respects only as agents for the Vendor and it shall be deemed that no condition or warranty expressed or implied has in any circumstances been given by the Auctioneers or any servant of the Auctioneers, whether as to title, description, the quality of any lot sold or otherwise. The Auctioneers and their servants shall not incur any liability to the Purchaser in respect of any defect of title, error of description or imperfection or in respect of any announcement or statement relating to or affecting any lot offered for sale whether made orally or in writing and whether given before, during or after the auction, nor shall they incur any liability in relation to any dispute between any Purchaser and Vendor.

4. The Auctioneers reserve the right to refuse to accept bids from a Purchaser and they reserve on behalf of themselves and of the Vendor(s) the following rights:
(a) to fix a reserve price;
(b) to bid on behalf of a Vendor;
(c) to re-arrange, consolidate or withdraw any lots or vary the order of sale; and
(d) without giving any reason therefore, to refuse to accept the bids of any person.

5. The person making the highest accepted bid shall be the Purchaser.

6. No bid shall be retracted.

7. If a dispute arises as to any bidding, then at the discretion of the Auctioneers, either:
(a) the lot to which the disputed bid relates shall immediately be put up again; or
(b) the Auctioneers shall determine the dispute, and their decision shall be final and binding on all parties.

8. **The Purchaser shall, when requested, give his name and address to the Auctioneers and unless otherwise agreed by the Auctioneers and the Purchasers shall pay for the lot(s) he has purchased ON THE DAY OF SALE. All lots are sold on condition that the ownership of the same shall remain with the Vendor and no property in the lots whether legal or equitable shall pass to the Purchaser and no lot(s) shall be removed from the premises unless or until:**
(a) payment in full has been made in cash, or by bankers draft, or by cheque not exceeding the amount stated on an accompanying valid cheque guarantee card;
(b) the Purchaser has obtained a pass-out slip from the Auctioneers clerk.

9. Notwithstanding Conditions 8 and 10 each lot shall be at the absolute risk and at the expense of its respective Purchaser at the fall of the hammer and subject to Conditions 8 and 10 shall be removed from the sale premises at the Purchaser's expense within the time stated by the Auctioneers at the commencement of the sale.

10. If, notwithstanding Condition 8 above, the Auctioneer permits the Purchaser to remove his lot from the sale premises prior to payment in full having been received then:
(a) Ownership of the same shall remain with the Vendor and no property in the lot whether legal or equitable shall pass from the Vendor to the Purchaser until payment of the full price has been received in cleared funds by the Auctioneer or the Vendor (as the case may be). Payment shall, unless otherwise agreed, be made to the Auctioneers.
(b) the Purchaser undertakes to house the lot on his premises separate from his own and those of any other person and in such manner as makes it readily identifiable as the Vendor's;
(c) the Purchaser's right to possession of the lot shall automatically cease immediately prior to his doing anything or failing to do anything which would entitle a Receiver to take possession of the lot(s) or which would entitle any person to present a petition for the winding up of the Purchaser;
(d) the Vendor or the Auctioneers may for the purpose of examination or recovery of any lot remaining unpaid enter upon any premises, where it is housed or where it is reasonably thought to be housed;
(e) if the Purchaser shall sell on the lot, then such part of the proceeds of such resale as equates to the full price of the lot remaining unpaid shall be held by the Purchaser in a separate bank account as trustee thereof on the Vendor's behalf.

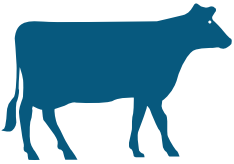

11. Without prejudice to any other right or remedy of the Vendor or the Auctioneers, if the Purchaser shall be in breach of any other Composite Conditions, the Vendor or the Auctioneers shall have power to resell the lot(s) purchased by the Purchaser retaining any surplus and charging any deficiency or expense to the Purchaser.

12. Neither the Vendor nor the Auctioneers will be responsible for any accidents or injury, not arising out of their negligence, which happens to any person or property while on the sale premises. Vehicles are parked at their owner's risk.
