Auctioneer : Bernie Hutchinson (07778 164274)

Cracking number to conclude the 2025 trading season with good numbers, quality and finding a stronger trade throughout. There was certainly Christmas spirit ringside with some very competitive bidding throughout especially with two returning faces representing end users and further finishers. Fantastic array of buyers and thank you all for judging our Christmas OTM's as the prize winners were awarded on the highest pence per kilo realised on the night. Thank you for all your support during 2025 and looking forward to welcoming you back in 2026.

Huge vote of thanks to all our vendors both near and far for your support and great to see returning faces to the live ring. The addition of the feeders certainly helps to add value to younger leaner cows and its this dynamic contributed to a very competitive bidding system. Like I always say competition is good but by trying a few through the ring especially where we can add value has to be a positive selling point and with 8 to 12 buyers that's true competition and as always happy to help with advice and organise haulage, please just give one of the team a ring. Thank you all for your support and wishing you all a very Merry Christmas & a Happy New Year.

A superb entry of calves at the 'pre-Christmas sale', with more numbers and a higher proportion of younger calves forward than usual. Trade was good throughout the day and, while marginally easier than recent weeks, the overall result was very satisfactory given the

increased entry and time of year. The next sale is Monday 29th December at 10.00am. There will be NO sale on Christmas Eve or New Year's Eve. Please advise Jonty of entries in advance to help notify buyers. Thank you to all vendors and purchasers for your continued support of MDM calf sales in 2025; lets hope it continues in 2026.
