**Auctioneer : Bernie Hutchinson (07778 164274)**

Cracking number forward selling on an extremely buoyant trade throughout!! Great to see returning vendors and welcoming new ones and with the milk price crisis the dairy sector is experiencing at present, all commodities need to be realised to their full potential. Hence the green markets are certainly adding a new dynamic to the trade being the further finishers ringside looking to add value to younger leaner cows to feed. Its not always the end user which can value add it's the combination and competition which under pines the value. Please give myself or one of the team a bell to assist with haulage or just chat through the options.

## WEDNESDAY 21 JANUARY 2026

### 173 CLEAN CATTLE & YOUNG BULLS

**Auctioneer : Bernie Hutchinson (07778 164274)**

Less about which was no bad thing considering how the trade has dropped in the last five days. On the day a two tier trade with handy weight butcher heifers and steers trading 380p to 428p and very similar on the week. It would be second and third quality cattle which would be much harder to place and experience the biggest correction in price. Its just a good job we are a green market with further finishers operating to hold the value. Just shows you can have more buyers ringside but if the trade shackles are on you cannot beat demand and supply!!

Top calls reverberated around the ring to 431p or £2,706.68 for steers, 420p or £2,481.60 for heifers and 419p or £3,838.00 for bulls. The overall market average returned at 445p or £2,161.60 yes 20p back on the week but if you look at trade pattern through the week most markets are 20p to 40p back on the week. Let us hope this correction in price is short lived!!

**65 Bulls** - Yes trade easier but quality, finish and shape still commanding a premium. Light and plainer bulls much harder to place and experienced the biggest price correction. Best sucklers to 419p or £3,385.52 for a Limousin from Mr Brian Taylor & Family, Scholar Green and further Limousin to 414p (£3,105.00). The Whitley Family, Spon Green saw 414p (£3,601.80) for their Limousin and Mr Peter Moseley & Family, Allostock and family Limousins to 408p (£2,937.60), 400p x 2 (£2,936.00 and £2,784.00) and 390p (£3,018.60). In the lump Mr Chris Pennie & Family, Llandyssil saw their Limousin generate £3,838.00. Natives sold to 346p (£1,999.88) for Angus from Mr David Mounfield & Family, Shrays Lane. Dairy types to 840p (£2,108.00) for

Montbeliarde from ED.&J. Morris & Son, Llangedwyn and Drayton specials saw black and whites to 326p (£1,962.52) from J. Proudlove & Partners, Baddiley. The section average returned at 345p or £2,217.32.

**43 Steers** - A consignment that boasted alot of weight and more commercial types. Best end peaked at 431p or £2,706.88 for a Limousin from Mr Darren Young, Balterley. Distant supporter Mr Emyr Roberts & Family, Llanfihangel saw their Limousin to 428p (£2,319.76). Commercial types saw Mr Charles Forrester, Northwood Charolais selling to 380p (£2,546.00) and 363p (£2,526.48) etc. Natives sold to 365p (£2,102.40) for Angus from DH.&RD. Bromilow, Golborne. The section average returned at 348p or £2,286.15.

**65 Heifers** - Certainly not a vintage show with superstar quality few and far between. Top price of 420p or £2,268.00 was realised for Limousin from Mr Darren Young, Balterley completing the double. Distant supporters The Simcock Family, Felton saw their Blue Cross to 402p (£2,268.00). In the lump RN.&RA. Mountford, Haughton saw their Blue Cross generate £2,481.60. Natives saw Angus to 378p (£2,162.16) from ED.&J. Morris & Son, Llangedwyn. The section average returned at 345p or £2,106.14.

Great to be back over the two hundred mark for our weekly sale and trade continues to bounce on. More spark about the sale today and more buyers ringside.

The newly formed feeding cow section proved popular again with twelve cows forward selling to a top of £1,460 for a Hereford but worthy of a mention are eight Friesian cows selling at £1,245 or 290p/kg!! Just a handful of bulls forward but more could have been easily sold. Best to £1,590 for a Limousin from Mr Steven Farnell, Wistaston. Again short of Friesian steers! Best at £1,700 plus topping at £1,860 or 345p with a section average of 341p/kg.

Yarding cattle continue to ring the bell each week with all makes and models very well bid for. Best £2,000 plus topping at £2,450 for Angus steers from Mr Robert Turner, Bradley. Total of sixty-four cattle over £2,000 today just remarkable. Best native heifers at £1,800 to £2,000 and averaging around £1,500. ## 466 REARING CALVES

**Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe 07595 453306**

Less about which is expected in late January and all the more frustrating when you see the trade! It really is off the clock and many more could have been sold today! If you've got calves to sell I suggest right now the live ring is the only way to market your calves! The trade looks very firm and, for the time being, appears to be here to stay. Vendors are therefore encouraged to continue presenting calves as strong as possible to take full advantage!

**Friesian Bulls** – Only 36 forward and high demand for them all. Top price was £350 from D&J. Moseley Ltd, Caverswall. Best: £200-£300, Mediums: £125-£175, Smalls: £50-£100.

**Native Bulls** – Just as dear as last week but not the quality on offer today with predominately medium types forward. But still 32 best types over £500. Top price: a stunning Angus at £750 from E.A. Johnson & Sons, Chester. Best: £500-£575, Mediums: £400-£475, Smalls: £200-£350.

**Continental Bulls** – The pace remains with all grades highly demanded. All Conti bulls averaged £527! Top price: £840 for a Charolais bull from J.&AJ. Weatherby, Sandbach. Best: £600-£700, Mediums: £450-£550, Smalls: £300-£400.

**Native Heifers** – They continue to look very dear with huge demand from a number of buyers and just lacking more quality to boost the averages even more. Top price: Angus at £495 from HK&SB Bennett, Woodseaves. Best: £375-£450, Mediums: £250-£350, Smalls: £150-£225.

**Continental Heifers** – A phenomenal trade for all types, best still demanding a larger premium and there were plenty of them today. Mediums well sold at £400-£475! Top price: £590 from three vendors, DA.&EM. Drinkall & Son, GM.&HJ. Fern and A.&I. Crowther. Best: £500-£575, Mediums: £400-£475, Smalls: £250-£350.
