181 BARREN COWS, CULL BULLS & OVERAGE CLEAN CATTLE (Green Market)

Auctioneer : Bernie Hutchinson (07778 164274)

Numbers keep coming and trade remains buoyant with demand still keeping ahead of supply, this resulting in adding value. Especially to your cull dairy cows offering only a small ray of light to the dairy sector which is facing a price crisis at present! Talk of the trade would be two fold with a large array of further finishers looking to feed lean, younger cows and at the better end processing and export keen for well fleshed cattle resulting in a corking trade and dare I say it many more could have been sold to vendors advantage please keep the numbers coming as buyer support keeps increasing.

Talk of the trade delivered the following prices — bulls to 330p or £3,234.00, clean to 318p or £2,067.00, dairy to 318p or £2,829.52, sucklers to 306p or £2,263.10. The overall market average returned at 236p or £1,461.38.

138 Dairies - Absolute joy to sell with demand prevalent from the first to the last cow. It would be hard to quantify which would be the dearest sold with lean light cows finding some real spirited bidding from further finishers, contrasted with the demand for heavy fleshed cows by processors and exporters. Trade raced away to 318p or £2,086.00 for young black and white from R.&R. Vernon & Sons, Burleydam. Williamson Farming Ltd, Austerson presented some real corks seeing their Montbeliarde's to 313p to gross £2,829.52, black and whites to 284p (£1,715.36), Monties again to 258p (£2,467.44) etc, N.&N. Brown & Son Ltd, Newton young black and whites to 306p (£1,585.08) and 284p (£1,380.24), Mr Jonathan Jackson & Family, Longpools saw 296p (£1,645.76) etc, Mitchell Brothers Farming, Hatherton 288p (£2,085.12), R.&J. Madders, Doley Mill cow to 287p (£1,928.64) and The Johnson Family, Yarlet Fleckvieh's to 273p (£2,336.88) and 268p (£1,940.32) to mention a few. The section average returned at 226p or £1,394.63.

36 Sucklers - Not quite the vintage show of last week with no real superstars forward. Commercial types peaked at 305p (£2,263.10) for a Simmental from a regular Cheshire vendor. Mr Darren Young, Balterley saw his Simmental to 300p (£2,124.00). Natives saw Angus to 300p (£1,644.00) from The Beckett Family, Willington. The section average returned at 262p or £1,556.40.

4 Bulls - Dominated with stock bulls and a real flying trade and more needed to meet demand. Limousins to 330p or £3,234.00 from J.& E. Jones, Meifod. Another regular Welsh vendor saw his continental to 327p (£2,485.20) and 319p (£3,087.92). Closer to home A.J. Warner & Sons, Woodseaves saw their Simmental to 289p (£2,820.64). The section average returned at 318p or £2,906.94.

3 Clean - Humble number forward dominated with steers selling to 318p or £2,067.00 for a Hereford from DJ.&SL. Sant, Chorlton.

- RED MARKETS -

WEDNESDAY 28 JANUARY 2026
180 CLEAN CATTLE & YOUNG BULLS
Auctioneer : Bernie Hutchinson (07778 164274)

Numbers holding remarkably well considering the lack lustre trade at present. But unfortunately the trade nationally is experiencing the "January Blues" and totally pole opposite to what happened last year. In farming terminology "no two years are the same" and you cannot beat the laws of demand and supply!! Huge vote of thanks to all our vendors and buyers for their weekly support and on the day more buyer support than ever just not enough of the superstars and alot of either very heavy cattle or a third of the entry thirty-months, with on the day an introduction of barren cows in the offering. But at Drayton we are just happy with the support and not precious about the stamp of cattle as dairy types are our "bread and butter".

Leading the charge this week we saw heifers to 428p or £2,606.04, steers to 418p or £2,810.76 and bulls to 400p or £2,801.36. The overall market average returned at 344p or £2,107.35.

50 Bulls - Certainly not a vintage show with only two sucklers forward with dairy cross types the majority of the entry. We did just get to 400p twice both for Bazadaise from Mr Dafydd Morris & Family, Llanrhaeadr realising £2,536.00 and £2,464.00. Mr Bernard Parsons, Hinstock saw his Limousins to 382p (£2,398.96) and 361p or to gross £2,801.08. Natives sold to 350p (£2,016.00) for Angus from Mr Martin Edwards & Family, Lower Morton. Drayton specials saw black and whites to 320p (£2,016.00) from N.&CH. Gregory, Kynnersley. The section average returned at 343p or £2,098.66.

53 Steers - We certainly saw an extremely broad weight range from 408 kilos to 880 kilos and everything in-between. But as always something for everyone and everyone for something. Best suckler types sold to 418p or £2,457.84 for a Limousin from Mr Darren Young, Balterley and further Limousin to 400p (£2,544.00), Mr Rob Nicholls & Family, Dayhills saw their Limousin to 401p (£2,205.50). In the lump Mr Pete Moseley & Family, Allstock sold their Limousin to generate £2,810.76. Distant supports The Simcock Family, Felton saw their Blue Cross to 396p (£2,336.40). Natives saw Angus to 359p (£2,254.52) from distant supporter Mr Rhys Roberts, Llanfyllin. The section average returned at 347p or £2,265.80.

77 Heifers - Wow, what an array of cattle from superstars to barren cows, from 12 months to 90 months and everything in between. The joys of running a green livestock market and catering for every taste and delicacy!! Superstars raced away to 428p or £2,508.88 for a corking Limousin from Jamie Higgins & Family, Tenbury Wells and further cattle to 422p (£2,337.88), 421p (£2,248.14). Mr Edward Evans & Family, Lane Farm saw their strong Limousins to 407p (£2,604.80), 396p (£2,550.24) and 389p (£2,310.66), Mr Jonny Warner & Family, Stoke Heath breached the 400p mark with a

Blonde to 404p (£2,141.20) and Rob Nicholls & Family, Dayhills Blue Cross to 400p (£2,248.00) to mention a few. Natives sold to 340p (£2,006.00) for a Hereford from The Goodwin Family, Rushton Spencer. The section average returned at 342p or £2,089.42.

Please keep the numbers coming to meet this flying demand. Please ensure all cattle are accompanied with a FILLED IN DECLARATION FORM signed & correct Farm Assurance details. Thank you.

66 DAIRY CATTLE

Auctioneers: Gwilym Richards (07768 020393) & Jason Brown (07774 816384)

TERRIFIC TRADE - £3,500 TOP

A terrific trade at the January Show & Sale at Market Drayton Market which was supported by the Western Holstein Club, sponsored by Massey Feeds and judged by Charlie and Sally Thomasson.

The top price was £3,500 for the Champion Pedigree Cow ARH DREFT 58 VG85, a third calver from AR Hough & Partners, Warrington.

The second best price of £3,200 was for the Lineback Heifer from Ray Brown & Partners, Holmes Chapel. The Brown family also sold the first prize Pedigree Heifer BIDEA RYDER CASAPPLE 3 at £2,700 and another two heifers at £2,700 apiece. Their four heifers averaged £2,825.

The second prize Pedigree Cow was the second calver JUMAR CHASE JILL from TM & JM Bowes, Wettenhall selling for £2,700.

The first prize commercial heifer from Mr KJ Morris, Redditch made £2,850.

A tremendous day's trading despite the gloom of the low milk price but the strong cull cow and calf prices puts a firm base to it all and quality sorts are as always in demand.

All milkers averaged £2,265 with 36 of the 42 sold making over £2,000 of which 9 were over £2,500 with most selling from £2,200 to £2,400.

A consignment of 5 and 6 month heifer calves from Reaseheath College, Nantwich sold to £670 four times with all 19 averaging £618.

Averages:

Fresh Cows £2,421

Fresh Heifers £2,224.

207 STORE CATTLE

Auctioneer : Ben Baggott (07791 791356)

Very similar numbers and a stand on trade from last week. Not quite the show this week but more new buyers forcing competitive trade.

More Friesian steers forward trading £1,700 to £1,800 for top end topping at £1,850 and averaging £1,565 or 314p/kg. A small offering of bulls to a top of £1,640 for a big Friesian and trading generally at £1,200 to £1,400 depending on breed etc.

Not just the show of yarding cattle this week as last but trade just the same and good to see a few more better sorts on offer. Best at £1,900 to £2,200 topping at £2,370 for homebred Limousin steers from the Allen

Family Farm, Hanmer. Plenty of good cattle at £1,750 to £1,850 with top end native heifers at £1,800 to £2,000 topping at £2,040 for Angus and averaging around £1,500 or 340p to 350p/kg. Best yarding cattle mainly at 370p to 390p/kg with 400p plus achievable for suckler types up to 420p to 440p/kg cattle averaging around this 360p/kg mark for most breeds.

Plenty of farming cattle forward today and although its early in the season trade was remarkable. Those 340kg to 380kg continental heifers regularly £1,350 to £1,450. More needed to meet a increasing demand.

Steers Averaged £1,685 or 367p

Heifers Averaged £1,515 or 356p

559 REARING CALVES

Auctioneers : Ben Baggott (07791 791356) & Jonty Cliffe 07595 453306

Trade is just on fire, it's in the highest gear possible with demand totally outstripping supply!! A few more numbers than expected today which was great to see to take advantage of this level of trade. It really is off the clock and many more could have been sold today! If you've got calves to sell I suggest right now the live ring is the only way to market your calves! We've had over 200 calves sell

in excess of £500, so all I can say is vendors continue presenting calves as strong as possible to take full advantage!

Friesian Bulls – Only 36 forward and high demand for them all averaging £163. Top price was £330 from GC&RE Durose, Leigh. Best: £200-£300, Mediums: £125-£175, Smalls: £50-£100.

Native Bulls – Just as dear as last week but not the quality on offer today with predominately medium types forward. But still 26 best types over £500. Top price: A Hereford at £630 from RJ&DJ Clement, Gorsey Bank. Best: £500-£575, Mediums: £400-£475, Smalls: £200-£350.

Continental Bulls – The pace remains with all grades highly demanded. All Conti bulls averaged £544! Top price: £795 for a Charolais bull from R&R Moss, Stafford. Best: £600-£700, Mediums: £450-£550, Smalls: £300-£400.

Native Heifers – They continue to look very dear with huge demand from a number of buyers and just lacking more quality to boost the averages even more. Top price: Hereford at £520 from RJ&DJ Clement. Best: £375-£450, Mediums: £250-£350, Smalls: £150-£225.

Continental Heifers – A phenomenal trade for all types, best still demanding a larger premium and there were plenty of them today. Mediums well sold at £400-£475! Top price: £655 for a Charolais from AW&B. Titterton & Aona, Milwich. Best: £500-£575, Mediums: £400-£475, Smalls: £250-£350.

A handful of weanlings included 3 month Angus bulls to £670 for Bratton Partners, Norbury and 4 month Simmental heifer to £850 from Mr G. Acreman, Levedale.

G'DAY MATE

As some of you may know our Graduate Trainee Surveyor, George, will be heading back to Australia next week having spent New Year there. He will be spending the next few months working on a sizeable rural estate, supporting land management and cattle operations. This is a fantastic opportunity for him to gain hands on experience on a large-scale rural project and we are very much looking forward to the insight and knowledge he will bring back with him.

As a Staffordshire bred lad, George will be back in time for Stafford Show at the end of May. We wish George the very best of luck during his time in Australia and will be delighted to welcome him back soon.
