Market Drayton Market Report  
The Following Trade:

**MONDAY 16 FEBRUARY 2026**  
**202 BARREN COWS, CULL BULLS &  
OVERAGE CLEAN CATTLE (Green Market)**  
Auctioneer : **Bernie Hutchinson (07778 164274)**

Good number forward for the time of year and trade extremely buoyant. Fantastic to see new and returning faces to Drayton and a huge thank you for your support! The green markets can certainly add value to your younger, leaner cows. Please view our social media to see how a cow worth 200p a kilo can be making 240p to 260p a kilo and on a 500 kilo animal this could be putting an additional £200 to £300 in your pocket as further finishers are adding value. We are very fortunate to have numerous further finishers and end users present and that's where the value of competitive bidding increases and sustains trade, its not one persons perception!! Again a big thank you and also to our buyers for their support.

Trade highlights to 367p or £3,251.30 for overage clean, 345p or £3,042.90 for sucklers, 324p or £2,947.80 for bulls and 310p or £2,411.80 for dairy. The overall market average of 251p or £1,639.10.

Fantastic numbers for the second sale of February sale and another strong trade which shows no sign of slowing down! A huge crowd of buyers led to strong demand from the off, resulting in a remarkable sale average of £859 per head. Credit must go to our vendors for presenting the quality cattle, with predominantly 6-10 month-old cattle today.

Very small show of bulls and lacking in quality overall. The top price went to a 9mo Saler at £1,010 from Mr T. Metcalfe, Leek; 7 month Simmental at £820 from K.H. Booth, Bicker at £700 and 5 month Friesian bulls at £600 from Radwood Hall Farm Ltd, Baldwins Gate. All 40 bulls averaged £643.31.

The steers have been relentless with several volume buyers lifting the trade and 76 selling for over £1,000. Top call going to 10 month Blues from OM.&JR. Whittingham, Mucklestone at £1730 and £1710. Next up 7 month Charolais at £1,350 from Mr C.R. Talbot, Stafford; 6 month Limousins from Mr J. Grocott, Aston at £1,300; 7 month Angus at £1,300 from Melissa J. Fox, Barthomley; 8 month Limousins from Mr A.J. Pugh, Wem at £1,220; 10 month Simmentals from B. Lawton & Son, Weston Jones at £1,130 and 10 month Blues from Mr E. Simms, Northwich also at £1,130. Whalley, Stapeley. All 188 steers averaged £975.47.

Johnston, Dunston Heath; 7 month Charolais at £1,370 from Mr C.R. Talbot, Stafford; 7 month Limousin at £1,320 from Mr J. Grocott, Aston. Topping the younger end were 6 month Herefords from Mr A.P. **WEDNESDAY 18 FEBRUARY 2026  
175 CLEAN CATTLE & YOUNG BULLS  
Auctioneer : Bernie Hutchinson (07778 164274)**

Few less and certainly not the depth of quality we saw last week which would impact on our averages this week for certain. But as always at Drayton we do not "cherry pick the best and leave the rest" we are grateful for all and any support and as always a big thank you to all our vendors and buyers. Very much a two tier sale with handy weight best butcher cattle and best heavy suckler types very easy to place, but second and third quality cattle harder and its great to think we have the luxury of our further finishers looking to under pin the trade.

The only real grumble this week coming from our buyers unable to fulfil orders and one or two commercial vendors would feel their cattle easier than last week. Please remember when deadweight centres are quoting anywhere from 600p to 630p a kilo our trade in comparison for run of the mill cattle would be very competitive.

Top of the shop this week returned at 436p or £3,035.84 for bulls, 430p or £2,645.76 for heifers and 412p or £2,698.80 for steers. The overall market average returned at 355p or £2,091.65.

**54 Bulls** - Last week an entry dominated with suckler bred types this week only a handful selling on a

strong trade peaking at 436p or £2,371.84 for a Limousin from distant supporters Mr Chris Price & Family, Llanfihangel and a further Limousin to 416p (£2,720.64), Mr Dafydd Morris & Family, Maengwynedd saw their Bazadaise to 424p or £3,035.84. Dairy bred Blues to 380p (£2,257.20) from Mr Martin Edwards & Family, Lower Morton and dairy bulls to 361p (£2,072.14) for a Montbeliarde from ED.&J. Morris & Sons, Llangedwyn. Drayton specials sold to 351p (£1,923.48) for black and white from SW.& SM. Evans, Smallwood to mention a few. The section average returned at 350p or £2,149.12 and in this average eight bulls under 450 kilos.

**41 Steers** - Little bit harder work and not just the depth in quality to pull the averages along. Pole position this week sold to 412p or £2,694.48 from a regular Cheshire vendor for a Blue and a Blonde to 376p (£2,338.72) etc. In the lump Dafydd Morris & Family, Maengwynedd Limousin grossed £2,698.80. Mr M.G. Butler, Light Oakes saw 388p (£2,172.80) for their Limousin. Natives sold to 361p (£2,360.94) for White Park from The Walker Family, Rushton. The section average returned at 354p or £2,268.13.

**80 Heifers** - The good, bad and ugly all represented seeing the crowning glory going to a Limousin at 430p (£2,408.00) from distant supporters The Jones Family, Neuadd Goch and further entry to 426p (£2,402.64), 422p (£2,371.64) and 418p (£2,566.52) etc, Mr Frank Heath & Family, Pipe Gate saw their Limousin to 426p (£2,274.84). Regular Cheshire vendor Blue to 418p (£2,474.56) and closer to home The Warner Family, Stoke Heath Limousin to 416p (£2,645.76). Natives sold to 414p (£2,119.68) for Angus from The Williams Family, Corwen. The section average returned at 360p or £2,096.92.

**Please keep the numbers coming to meet this flying demand. Please ensure all cattle are accompanied with a FILLED IN DECLARATION FORM signed & correct Farm Assurance details. Thank you.**
