MONDAY 2 NOVEMBER 2026
126 BARREN COWS, CULL BULLS, & OVERAGE CLEAN CATTLE (Green Market)
Auctioneer : Mark Jones (07813 625787)

A good number of cows forward with a large proportion of lean, plain, light cows in the mix would be less money and harder to sell. This coupled with a report of a drop in trade from other centres and deadweight firms taking money out of the cows would sell the trade back on the week. That said, heavier sorts or meated cows still a very respectable trade. An overall average was returned at 204p or £1,373.42 which would reflect the quality of cows on offer.

75 Dairies – A very much two tier trade with cows with a loin in demand and light plain cows just a little harder work. The best sold to 234p for a Montbeliarde cow weighing 792 kilos to gross £1,853.28 for AF.&JF. Shallcross, Kingsley. Top price in the lump was £2,002.00 for a Friesian cow weighing 910kgs from RJ. & RH. Gabsbey, Yarlet. Wright, Montbeliarde 700kgs (219p) £1,533.00 Martin Partners and Montbeliarde 736kgs (204p) £1,501.44 GR.&E. Webster & Son. Meated cows traded from 220p to 240p, steakers 190p to 220p, heavy plain 170p to 190p and the majority of lighter plain cows 140p to 170p. The section average was returned at 182p or £1,182.99.

The section average was returned at 242p or £1,638.79.

5 Bulls – The top price was 249p for a Simmental stock bull weighing 896kgs to realise £2,231.04 for Mr D.J. Hoult, Barton. The section average was returned at 227p or £1,909.63

BUDGET BREAKDOWN

Last week's Budget was, in reality, more of a mini-Budget and with much less prior speculation than ahead of the last two Budgets, there was probably nothing to leak anyway!

It did bring some welcome news for the agricultural sector with the extension of the red diesel duty reduction. Whilst there was much hype about potential changes to Capital Gains Tax rates, causing great concern for those involved in the property market, the rates and annual exemptions have remained unchanged.

However, questions remain around the longer-term challenges facing British farming. With farming businesses continuing to endure rising costs, uncertainty and ongoing pressures, greater clarity and long-term support remain essential.

We hope to see further positive steps to support farming businesses, encourage investment and help secure a sustainable future for British agriculture.

ROUTE TO RURAL

WHAT IS ROUTE TO RURAL?

Route to Rural is an national campaign launched by the Central Association of Agricultural Valuers (CAAV) of which Mike Taylor is currently President. It is designed to promote careers in the rural surveying, land management and agricultural valuation profession.

Harriet, Becca and George all star in this year's social media campaign which was shot with desks in the middle of a field. Check it out on Facebook, Instagram and TikTok!
